## **Day 2**

### **Mind & Memory session by Dr. BK Chandra Shekhar, President of SIGFA Solutions.**

On 23<sup>rd</sup> August, 2016, Dr. BK Chandra Shekhar, **President** of SIGFA Solutions and **Guinness World record holder** in Education & Marathon category addressed and interacted with the students of MBA during the first session on day 2 of orientation program.

Dr. Shekhar initiated the session by raising intriguing question about mind, body, intellect and their power. He demonstrated how memorizing can be made easy and also explained few exercises on the same. The effect of negative & positive thoughts on our energy and body was demonstrated by him through various small exercises involving the students. Dr. Shekhar also shared a video showing the ill effects of anger on the body of an individual.

He motivated the students to be calm, focused and positive in their thoughts and actions for future success and happiness.

The session concluded with Dr. Chandra Shekhar motivating the students to become their own idol believe in themselves and believe in God always.

### **Ice breaking session**

Ice breaking session was organized as part of the student orientation program for MBA 2016-18 batch on 23<sup>rd</sup> August, 2016 from 11:15 a.m to 1:05 p.m. The session was facilitated by Dr. Anita Mathew, Dr. Charu Choudhry, Prof. Shikha Arora and Prof. Rashmi Aggarwal.

Session started with "Hello Friends". The objective of the activity was to know each other and get connected with as many in the group. This activity involved students' movement while the instrumental music played in background and when the music stopped got introduced to as many.

Next game was animal sound to get them into groups. It created an environment of energy and enthusiasm. Then the groups were asked to represent themselves using chart papers and colours. All student teams showed lot of enthusiasm and expressed their ideas very creatively.

The activities could develop a feeling of camaraderie and togetherness. Dr. Anita Mathew concluded the session by debriefing the activities. Chocolates were distributed to all the student groups for appreciating their efforts and motivating them. By end of the program students were more comfortable and better acquainted with each other.

### **Expectations of CRC from MBA graduates**

The third session of the day was based on the expectations of CRC from MBA graduates. Prof. Durba Roy delivered an informative session to the new batch of MBA about the expectations which the CRC and the industry have from a post-graduate in management program.

The session highlighted the qualities which the students are expected to inculcate to prosper in the professional domain.

The students also raised many queries related to the entire process which the CRC follows, the challenges which students generally face and future prospects in various sectors. These queries were dealt with by Prof Durba and the students gained further insight into the theme of the session.

The session was closed by Prof. Durba on a positive note in which she stated that whatever be the performance in the past there is always a scope for making it better in future and that there is an ocean of opportunities waiting to be tapped by those who have the determination.

### **Day 3**

During orientation programme for MBA (2016-18) batch, a session on “Expectations of Management Students from MBA Programme” was organized on 24<sup>th</sup> August, 2016. The session was taken by Prof C K Sabharwal and Dr V N Bajpai. The session was aimed at mapping the expectation of newly joined students from MBA programme. In his opening remark Prof Sabharwal said that establishing your expectations early helps in leading to coherent, meaningful progress and goal setting. This applies to both faculty and students at MBA programs, hoping to meet (or exceed) mutual expectations. To achieve this the students were asked to write their individual expectation from MBA programme under four heads: Personal, professional, social and any other (as a student). Individual expectations were deliberated and discussed in a group of five students to arrive at group expectations. Total 150 students in 30 groups have expressed their expectations. At the end a summary of expectation was presented with the following major expectations of students from MBA programme:

- Good Professional with humanity
- Domain Knowledge, skills and cross functional skills
- Transferable skills
  - Good Communication
  - Body language
  - Confidence
  - Positive Attitude
- Interpersonal skills
- Managerial & Leadership Skills
- Good Job with good company with good salary
- Entrepreneurial skills

- Appreciation from society
- Interaction and networking
- Learning with fun & Creativity

### **Movie Analysis**

One of the sides of management education is learning from real situations. For that students of MBA 16-18 batch were shown a movie “Persuade of Happiness” starring Will Smith on 24<sup>th</sup> August, 2016. This movie shows that how a person loses everything for chasing his dream. It also shows that how he succeeds at the end. At the end students were asked to analyze the movie and relate it with management education.

**Ice Breaking Session during AARAMBH 2018.**

Department of Management organized icebreaking session for MBA (2018-20) batch students during AARAMBH 2018. Resource person for the Session was Dr. Manoj Kr Jha, Prof. Yachana Malhotra, Dr. Charu Chaudhry, Prof. Shikha Arora, Prof. Shilpi Rana and Prof. Ritu Saxena.

Objective of the session was to make the participants comfortable at I.T.S campus and become familiar with each other. Three rounds of introduction were conducted in small groups of 8 members each. Students were asked to move around the hall and greet each other non-verbally while music was played and once the music stopped, students grouped themselves with their immediate neighbors and introduced each other.

Entire process was repeated twice so that they introduced themselves to new members in a new group. Name recalling exercise filled the atmosphere with warmth and familiarity which was required to make students comfortable. And then, animal sound exercise completed the missing elements of energy and laughter inside the auditorium. At last, groups were assigned the task of reflecting upon any social issue close to their heart and depicting the same with chart paper through brief presentation. Charts were full of creativity and helped the students in exploring different perspectives on various issues. Students thoroughly enjoyed the session. They entered the auditorium as strangers in the beginning of the session but at the end, they walked out with their friends- giggling, laughing and chatting with each other. Outcome of the session was quite visible at the smiling and confident faces of the students.

**Day 1 (20<sup>th</sup> Aug, 2019)**

The Orientation Program "Aarambh-2019" at I.T.S - Mohan Nagar, Ghaziabad commenced with an inaugural ceremony to welcome the 16th batch of MBA Program (2019-21) students on 20th August, 2019.

The ceremony was inaugurated with ceremonial Lamp Lighting by the Vice Chairman, I.T.S - The Education Group, Shri Arpit Chadha, Chief Guest Mr. Sudhir Zutshi, Director Industry and Government Affairs, Market Access, New Initiatives- South Asia, Guests of Honour, Mr. Brijesh Grover, Account Operations Head Nokia Solutions and Mr. Naveen Tandon, Director - International and External Affairs, AT&T India, Director (Management), Dr. Vidya Sekhri and MBA Chairperson, Dr. Anusha Agarwal.

Sh. Arpit Chadha addressed the students and inspired them to work hard through his words of wisdom. He emphasised that as success cannot be achieved overnight students have to be persistent and dedicated in their efforts.

The Chief Guest of the session Mr. Sudhir Zutshi highlighted that hard work is a key to success through integrity and risk taking ability. He explained that corporate expectations require the students to develop skills like leadership, knowledge, domain knowledge, team work and right attitude.

Dr. Vidya Sekhri presented the welcome address and an overview of the achievements of I.T.S for the year 2019. The Guest of Honour Mr. Brijesh Grover explained and motivated the new comers to explore their potential to perform better. Mr. Naveen Tandon shared his valuable inputs on the relevance of team work, corporate skills, soft skills and problem solving skills for every management student. Dr. Anusha Agarwal addressed the students about the progression of the orientation program over the next few days.

During the inaugural session esteemed guests felicitated Ms. Pooja Chauhan, student of MBA (2017-19) Batch for securing 8th position in Dr. APJAKTU results.

**Day 2 (21<sup>st</sup> Aug, 2019)**

The first session of the day was on "Developing Leadership Skills" by Director(Management), Dr. Vidya Sekhri. In her discourse she highlighted the traits required by today's generation for becoming an effective leader. She emphasized the importance of communication and imparted the value of imbibing ethics and Indian culture. Dr. Anusha Agarwal, Chairperson (MBA) gave an overview of the MBA program and encouraged the students to lead a disciplined and focussed life.

The post lunch session saw an interaction of students with Mr. Tarun Gulayani, a certified NLP practitioner and a motivational speaker. Mr. Gulayani introduced the concept of sub-conscious mind and how it controls our heart and conscious mind. His session was full of interesting incidents which emphasised on life lessons for the young minds.

The day concluded with the Functional Club Presentations to introduce to the students various domain specific clubs in which they can participate as team members or as participants in various activities over the next two years.

**Day 3 (22<sup>nd</sup> Aug, 2019)**

The day began with a movie based case study conducted by Dr Nitin Saxena. The aim of this exercise was to enlighten the students on how to improve their decision-making skills. Sheets were distributed for recording the views of the students. The 2 best analyses shall be rewarded with prizes.

The second session of the day was by Dr Archana Tyagi – Professor, Coach, Trainer, Clinical Psychologist and Career Counsellor. She highlighted the fact that rather than talent, it was attitude that determined the degree of success that a person achieved in life. Dr Tyagi also spoke about the difference between a fixed and a dynamic mindset. She also emphasised on staying motivated by expecting better results from efforts; being flexible by using obstacles as a means for growth and managing oneself as the first pillar of emotional intelligence. The session turned out to be very interesting as well as informative for the students.

The final session of the day was under the guidance of Prof. Durba Roy, where she spoke about the role of the CRC at I.T.S, and how the students need to develop themselves in order to match up to the requirements of the corporate world.

## **Day 4 (23<sup>rd</sup> Aug, 2019)**

The last day of the orientation program started with the session by Prof. Shilpi Rana who interacted with the students and made them familiar with various Social Media Platforms of I.T.S and its importance.

Second session of the day was conducted by Chairperson MBA- Dr. Anusha Agarwal and Coordinator MBA I- Prof. Parul Gupta. They enquired from the students about their expectations from the MBA Program. Students shared their views and expectations in a highly interactive session. .

The third session was conducted by Shri Ved Prakash (Founder Program Your Mind & NLP Coach). It was an interesting session, where he emphasised on the importance of memory and the role our mind plays in enhancing our capabilities. Through practical demonstrations he made the students learn about the various exercises related to the mind and memory.

The fourth session was conducted by our Dr. Shobha Kulshretha (Corporate trainer and Teacher at NIFTEM). She motivated the students about the various stages of life and the challenges which appear in them. Students participated in the discussion and tried to clear various doubts pertaining to "Life Skills".

The last session was an interesting session with the Alumni of MBA Program of I.T.S on the topic: "Corporate Expectations from the Management Graduates". For this session 6 Alumni speakers were-

- Mr. Rohit (MBA 2009-11), Senior Manager, SME Loans, Axis Bank
- Mr. Rohit Sharma (MBA 2010-12) Head Key Accounts, Sona Beverages
- Mr. Abhishek Jaiswal (MBA 2010-12), Manager CT & Tavel Alliance, HDFC Bank
- Mr. Rahul Bhardwaj (MBA 2014-16), Territory Sales Manager, Oppo Mobile Pvt. Ltd.
- Mr. Kapil Kumar (MBA 2015-17), Sales Manager, Aditya Birla Cement
- Mr. Rahul Kamboj, (MBA 2015-17), Sales Manager, L'Oreal India Pvt. Ltd.

It was truly inspiring for the fresh batch to listen to the Alumni. They vividly shared their experiences of I.T.S and their professional life. They guided the students about the various challenges which they may face during their MBA program and inspired them to work hard and emerge as a better version of self at the end of the program.

The orientation program Aarambh- 2019 concluded successfully with great learning offered to the students through different sessions and expert interactions from various domains.

## Report on Orientation Programme of PGDM (2016-18) Batch.

Student's debut in the 21<sup>st</sup> batch of PGDM of ITS Ghaziabad has taken place with the completion of registration and documents verification process on 11<sup>th</sup> July, 2016. From 12<sup>th</sup> July, 2016 onwards they enjoyed a ten days Orientation Programme especially designed to sensitize and orient them various of personal and professional aspects of life. The programme was mix of sessions aimed at orienting and inculcating knowledge, skills and transferable skills like positive attitude, confidence, team spirit, interpersonal skills and corporate learning from Ramayana.

Aspiration 2016 (Orientation Programme) for PGDM fresh batch was jointly inaugurated on 12<sup>th</sup> July, 2016 by the Chief Guest Mr. Kuldeep Kumar, Executive Director, PwC, Guest of honour Mr Vivek Madhukar, COO, Times Business Solutions Ltd. and Vice Chairman of I.T.S The Education Group, Mr Arpit Chadha. Dr A K Puri, Director General of the Institute welcomed Chief Guest, Guest of honour & the new batch and congratulated them on their success in getting admission to PGDM Course at I.T.S Ghaziabad. Mr. Mr Arpit Chadha, Vice Chairman, I.T.S The Education Group shared his words of wisdom with students and motivated them to make best use of their stay at ITS for the coming two years.

In his inaugural address, Chief Guest, Mr Kuldeep Kumar suggested students to utilize their two years' time and world-class resources provided by the Institute for their dreams to come true. He said that knowledge that will be imparted during PGDM Course becomes the stepping stone for pursuing a successful and exciting career in industry and other walks of life.

Guest of honour Mr Vivek Madhukar talked about the requirements and attributes to be a successful manager and a leader. He shared his own life experiences with students. Dr V N Bajpai gave a brief about Aspiration 2016. He said that the real objective of the programme is to sensitize and help the beginners in proper understanding of self, fellow students, group dynamics, communication skills and in development of leadership qualities through interactive processes. Second half of the day was even more enjoyable with the ice breaking session coordinated by Dr. Anita Mathew, Prof Shikha Arora, Dr Charu Chaudhary, Prof. Bhavna Bhardwaj, and Prof. Rashmi Agarwal.

Second day of the Orientation Programme i.e. 13<sup>th</sup> July, 2016 set the expectations of students from management programme, expectations of corporate & society and discussion on

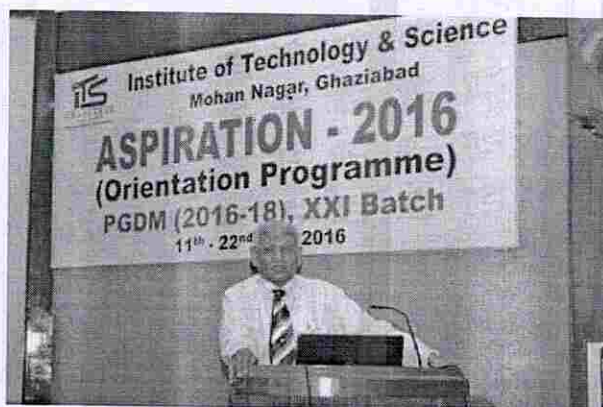

employable attributes by Prof. C.K. Sabharwal, Dr V N Bajpai and Prof Durba Roy followed by session on familiarity with the institute and learning resources (Library, Lab, APO etc.) and PGDM Course brief by Dr. V N Bajpai, Programme Coordinator.

The session on 14<sup>th</sup> July on Mind and memory power by Mr B K Chandrashekhar Tiwari and Life Management through Mudra Vigyan by Mr V K Bansal exposed to new perspective of life for the fresh batch of students.

Dr. V.N. Bajpai described the case method of learning that helps them to ponder on the given situations and find out the strategic solutions of the issues discussed in the example. Session by Prof. Vijesh Jain to make students familiar with the Business News Sources and Analysis followed by session on Business Scenario by Prof Parul Gupta enlightened the students.

PDP sessions of Mr Aviral Sinha, from Image booster filled students with confidence and positive thinking followed by sessions on Effective Communication by Dr G K Dwivedi and Prof. Rashi Agarwal.

To give students industry exposure, two guest lectures by Mr. Dinesh Agrawal, GM, NTPC and by Mr. S.S. Sharma, Consultant, System Dynamics were organized on 14<sup>th</sup> & 16<sup>th</sup> July respectively.

Students were also taken to the Industry visit to get real time functioning of the companies like Bhushan Steel, Mother Dairy, and Carbon Continental. Students were also exposed to online data bases sessions conducted by the company professionals.

Last day (23<sup>rd</sup> July, 2016), session on students' experience sharing with respect to their exposure of various activities during two weeks orientation programme was organized. It was an opportunity for the students to share their experiences, learning, and familiarity with new concepts among themselves. Students of all the sections have widely appreciated the orientation program and its processes. Sessions on Mind & Memory Management; Mudra vigyan; Movie display under theme of behavioral / attitudinal change; Personality and soft-skill training; Ice-breaking sessions, Case Discussion and Analysis and Industry visits were the most triggering session/events which they have recalled and shared very instantly. For most of them visit to the company (Mother Dairy, Carbon Continental, Bhushan Steel) was the first such exposure. The manufacturing facilities, processes and visit to the company premises have given them a real understanding of how a company functions.

The session on 'Campus to Corporate : Alumni Experience Sharing' has given an opportunity to the students to interact with the pass-out students of PGDM programme (Alumni) who are now working with reputed companies. Alumni members shared their experiences and passed on the success mantra to become true professional, two years down the line, after completion of the course.

This refreshing and energizing orientation programme, packed with essential knowledge and real fun was ended with the hope that new members of I.T.S family will be making best use of learning and insights gained during orientation programme and 'Aspiration 2016' may lead them to a path where each one of them at the end of PGDM programme, 2 years down the line emerge as winner in all fronts of life.

**Guest lecture by Mr. Parag Rastogi, Director, Bennett Coleman and Co. Ltd. (Times Group).**

On the 7<sup>th</sup> July 2017, a guest lecture was delivered by Mr. Parag Rastogi, Director, Bennett Coleman and Co. Ltd. (Times Group). Mr Parag Rastogi delivered lecture on importance of marketing in the organization and having a right attitude for becoming successful in the field of Management.

Highlights of today's lecture were:

Right attitude that 'yes I can do it' makes lot of difference, one must keep a positive attitude. A positive attitude causes a chain reaction of positive thoughts, events and outcomes. It is a catalyst and it sparks extraordinary results. Your attitude defines your ability to handle challenges. Commitment, belief and positive attitude are all important if you're going to be a success, whether you're in job or in business.

Business management is about more of an implied skill rather than theoretical knowledge. Learn from others and always believe that everything that we do and everyone that we meet is put in our path for a purpose.

He advised not to carry negative attitude and thoughts. Once you replace negative thoughts with positive ones, you'll start having positive results. Don't run away from responsibility and be useful to your organization and society. Never ran down others, Always try to portray brighter side of your personality, and leadership skills.

Mr Parag Rastogi also emphasized that Networking can help you achieve your targets in the long run and given tips for being very clear about management's expectation from you.

The session was very interactive and students asked lot of relevant question to the speaker. The session ended with a vote of thanks to the guest.

**I.T.S Ghaziabad Organized Industry Visit for PGDM (2017-19) batch students to Coca Cola (Moon Beverages Ltd.), Greater Noida.**

14<sup>th</sup> July, 2017 was a memorable day for the new students of PGDM 2017-19 Batch who visited the Coca Cola factory in Greater Noida with their faculty members Dr. Gopal Krishna Dwivedi and Prof. Shikha Arora. The visit to Coca Cola was full of knowledge and amusement. Cool ambience, warm welcome, chilled drinks, gifts and games made it so soothing and unforgettable as if it was a visit to an amusement park.

21 students of third group of PGDM entrants (2017-19 batch) reached the plant by the chartered bus around 11:00 am where they were given a very warm welcome. After a brief through video, the excited scholars were taken to various sections of the plant where they were explained the functioning and the processes.

The students asked countless questions about the drinks and the processes which were responded with facts and pleasure. The most attractive segment of the visit was the fun corner where the students had the chance to play live video games by doing actions on the floor with their full body and watching the results on the wide screens.

Games on Coca-cola facts were also played through electronic devices and the best respondents were awarded and appreciated with the 8 GB Pen-drives. A polar bear in the selfie corner, a fridge full of unlimited Coca Cola drinks made the day of the newly admitted PGDM students.

At the end of the visit the students entered their feedback in the visitors' register at the plant and wrote that they were really overwhelmed with the setup, systems, processing, policies and the new learning. They also appreciated the pleasing attitude of Coca Cola employees right from the security guards at the main gate to the highest officials they met during the visit.

## **ICE BREAKING SESSION**

### **PGDM (2018-20) Batch**

Department of Management Studies , I.T.S, organized a two hour icebreaking session for PGDM-( 2018-20) batch students on 3<sup>rd</sup> of July, 2018 at Chanakya auditorium. Session was facilitated by Dr Manoj kr Jha, Dr D K Pandey, Dr Charu chaudhry, Prof Shikha arora and Prof Ritu saxena . Objective of the session was to make the participants comfortable at I.T.S campus and become familiar with each other.

Three rounds of introduction were conducted in small groups of 8 members each. Students were asked to move around the hall and greet each other non verbally while music was played and once the music stopped, students grouped themselves with their immediate neighbors and introduced each other. Entire process was repeated twice so that they introduced themselves to new members in a new group. Name recalling exercise filled the atmosphere with warmth and familiarity which was required to make new joinees comfortable. And then, animal sound exercise completed the missing elements of energy and laughter inside the auditorium.

At last, groups were assigned the task of reflecting upon any social issue close to their heart and depicting the same with chart paper through brief presentation. Charts were full of creativity and helped the students in exploring different perspectives on various issues. Students thoroughly enjoyed the session. They entered the auditorium as strangers in the beginning of the session but at the end, they walked out with their friends- giggling, laughing and chatting with each other. Outcome of the session was quite visible at the smiling and confident faces of the students.

**Ice Breaking And Self Exploration Session during ASPIRATIONS-2019 on 18<sup>th</sup> June 2019**

Department of Management organized an Icebreaking & Self Exploration session for PGDM-(2019-21) batch students at Chanakya auditorium during PGDM Orientation Programme Aspirations-2019 on June 18, 2019. Session was facilitated by Dr. D. K. Pandey, Dr Charu Chaudhry, Prof Shikha Arora, Dr. Vivek Pachauri and Prof Ritu Saxena. Objective of the session was to make the participants comfortable at I.T.S campus and become familiar with each other.

Three rounds of introduction were conducted in small groups of 8-10 members each. Students were asked to move around the hall and greet each other non verbally while music was played and once the music stopped, students grouped themselves with their immediate neighbors and introduced each other. Entire process was repeated thrice so that they introduced themselves to new members in a new group. Name recalling exercise filled the atmosphere with warmth and familiarity which was required to make new joiners comfortable. And then, animal sound exercise completed the missing elements of energy and laughter inside the auditorium.

For next round, groups were assigned for Paper Bridge activity. The objective was to enhance communication in the group and team building. Students thoroughly enjoyed the session. They entered the auditorium as strangers in the beginning of the session but at the end, they walked out with their friends- giggling, laughing and chatting with each other.

Self Exploration session was conducted in the 2 labs. The basic objective of this session was to explore yourself, with the help of MBTI online Personality test. Students took part very enthusiastically and raised several queries.

Outcome of the both sessions were quite visible at the smiling and confident faces of the students.

Day-4 of ASPIRATIONS-2019 orientation Program PGDM 2019-21 Batch on 20<sup>th</sup> June 2019

On the day 4 of the Orientation Programme, 2019 a session was organized on 'Mind and Memory Management' for the students of PGDM (2019-21) Batch. The speaker of the day was Shri Ved Prakash, a leading professional of the NLP techniques who has to his credit a number of workshops and modules on memory and mind management.

A renowned expert of Memory Management, Shri Ved Prakash demonstrated how the power of memory can be used to store what it perceives, whether it is from sensory perception or from events created in the mind like dreams, thoughts or decisions. He further explained that our memory works on "Link Memory" and so anyone can improve their memory by linking the instances to the five important features recognized by our mind that is colour, sound, motion, I (our self) and uniqueness.

Mr. Ved Prakash also demonstrated different ways that can help anyone to improve his /her memory and enhance the power of their brains. The session was full of excitement as the budding managers tried to learn the different techniques and methods to improvise the scales of their thinking and learning abilities.

## **SESSION 1**

21<sup>st</sup> June, 2019

A special session on "Life Management through Mudra Vigyan" was organized during the orientation program for the PGDM (2018-20) Batch on 21<sup>st</sup> June 2019. This special session was dedicated to the celebration of International Yoga Day. The guest speaker for the session was Shri Vijay Kumar Bansal, who is an eminent practitioner and a strong proponent of healthy practices for the maintenance of good health without the use of medicines.

The speaker discussed how today's life is full of tensions, stress, anxieties and nervousness leading to the resultant ailments from cold and coughs to diseases as severe as cancer. But with the practice of "Mudra Vigyan" one can attain peace and harmony leading to a healthy life. Mr. Bansal demonstrated various Mudras and their respective benefits to the students and also answered their questions in the context making it a very interactive and enriching session. The students found it very informative and felt motivated to instil the practices in their daily lives.

## **SESSION 4**

21<sup>st</sup> June, 2019

On the 5<sup>th</sup> day of the Orientation Program of PGDM (2019-21) Batch, a motivational session by Mr. Beni Kinha was organized. A well-known Motivational Speaker & Trainer, Mr. Kinha addressed the students and emphasised on the importance of mental strength and self-belief. He stressed that every individual is unique and his success depends on how he is able to harness his uniqueness to achieve his dreams. He emphasised that failure should never hold one back from achieving their dreams and one should never give up trying.

Mr. Kinha motivated the students to move out of their comfort zone and face the challenges as they add to the personality and mental strength of every individual leading them into the zone of learning and growth. He guided the students to build a winning attitude in every situation. The students found the session very engaging and were motivated to imbibe the mantra given by Mr. Kinha in their lives.
