## Part B

### CRITERION I – CURRICULAR ASPECTS

#### 1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

In order to deliver the course curriculum in an effective manner the Institute has designed an action plan and has adopted specific measures for ensuring that the same is implemented for bringing in the desired results. Through Course Committee: The Course Committee, comprising of Programme Chairperson/ Co-ordinators and functional area chairpersons, who are responsible for conducting the respective programme in a planned manner with the help of Academic Programme Office (APO). Accordingly, there is a system of: 1. Preparing Academic Calendar for each programme before the commencement of each academic session. 2. Designing of a Teaching Learning Evaluation Plan (TLEP) /Process/ Course Module by the respective faculty member taking up the subject. The module contains all the details with respect to lecture plan, recommended readings, and case studies, objective of the course, evaluation criteria and assignment details. 3. Academic Daily and weekly Reports wherein the faculty member provides the details of lectures taken on any particular day and weekly reports to oversee the course progress. 4. Student Feedback for monitoring the effectiveness of course delivery in the class. The feedback of students is taken by two different ways one is online, objective feedback and the second is subjective feedback. 5. Meetings with class representative at regular intervals. These meetings are very helpful as they help students to put across their points of concerns and it also helps the department/ management in taking up remedial measures.

#### 1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

Feedback Obtained
Institute has a structured feedback system for students. Students are to give their feedback twice in each Trimester/ semester. This feedback is taken online where identity of student is not disclosed. Feedback format is having 07 questions related to faculty and students are supposed to rate the faculty under the asked question. Questions comprise of lecture delivery, clarity in teaching, teaching pedagogy, query handling etc. Faculty members are rated on 5 points scale. Faculty is also given opportunity to go through the feedback given by students and upgrade themselves in the required areas. Regular faculty meeting is conducted in the form of departmental review meetings. This meeting aims at taking feedback on system, academic performance of students, gaps between objective and results, new techniques and requirement by the industry environment. Quarterly staff meetings are also conducted to take feedback on scheduled classes, result of students, attendance of students, schedule integrity, communication with parents and students queries etc. The institute has corporate resource cell, which regularly interacts with Industry, recruiters and partners for taking their feedback, so that proactive steps can be taken for the development of the students. Institute is having a strong bonding with their alumni. Alumni committee is constituted by the institute which is headed by president and Vice President elected by committee members.

This committee is actively working for the institute by developing a mentor mentee programme for the students. In this programme different mentors are selected from the alumni base and mentees are allotted to them. Under this programme each mentee is suppose to be in regular touch with the alumni mentor for getting knowledge about industry, current skills required by the industry etc. Each year institute invites their alumni's from different programme to attend alumni meet organized in the month December every year. Alumni are also invited for guest talk with the students. Institute builds regular communication by sending regular newsletter, monthly letters and periodicals. We do invite parents/ guardians in various events such as convocation, award ceremony and alumni meet. Their feedback about the institute is taken regarding various activities (pertaining to overall development and placement facilitation). In accordance to that the expectation of parents as well as guardian from the institute's activities are highly fulfilled and met.

#### Examination and Evaluation

MBA MCA are University affiliated programmes. Hence Institute follows the guidelines laid by the University for Internal and End term examinations.

Apart from the university laid guidelines the students of these programmes are given time to time assignments, presentations and surprise

class tests. In PGDM programme, I.T.S follows a system of continuous assessment. Throughout the term, the student is tested on his/ her ability to understand concepts, learn techniques and apply them to solving the problems of real world. Evaluation is based on internal assessment and end term examination. End term examination is of 60 marks. Internal assessment comprises of 40 marks. Various components of internal evaluation are assignments, case analysis, Quiz test, presentations etc. A ten (10) point grading scale is used. At the end of the course, the faculty member aggregates on all the components of evaluation using the weights he/ she has prescribed in the lesson plan. The trimester Grade Point Average (GPA) is to be calculated by computing the sum of the grade point in respective subjects multiplied by their respective credits, and dividing it by the total credits for all the subjects in the trimester.

#### Teaching and Learning
