Provide the details of the action taken

Some of the recommendations for quality enhancement of the Institutions given by the peer team for NAAC accreditation have been implemented during the year 2011-12, 2012-13, 2013-14 and some were under implementation stage. Following efforts have been made in the year 2014-15 to ensure implementation of such recommendations:

- Focus on learning based pedagogy and monitoring on the basis of learning outcomes.
- Outstanding association certificate, cash incentive of upto Rs.30000/- and leave for 5 days
 for family trip to the faculty & staff who have completed 10 years and 5 years of their
 employment with ITS.
- Cash incentive for the faculty to encourage writing text books, case studies, research papers.
- Throughout the year as an ongoing process Alumni members have been invited to take part in various activities of the institute like interaction of alumni members with students during orientation programme, Guest lectures by alumni members, mentors for Summer Internship.
- Paramarsh Career counselling sessions by senior alumni members.
- Alumni Reunion
- Retail show during marketing conference
- Young Talent Hunt
- Faculty and staff family function.
- Education to the deprived children in slum areas

1.2 (i) Flexibility of the Curriculum: CBCS/Core/Elective option / Open options

The academics of MBA & MCA programmes are governed by the affiliating University. Course structure and syllabus is decided by the University. In MBA programme students are offered specialisation in dual mode. Elective options are available for the students to choose from.

In PGDM programme the following Two types of specialization options are available to the students of (2014-16) batch, in third trimester of the course. Students have a liberty to choose any one option out of these two. One has to opt for total twelve (12) electives in second year.

Major specialization: Under this option, a student has to opt for total eight (08) elective papers from any one of the specialization areas (Marketing/ Finance/ HR/ IB/ IT) out of which two compulsory electives from major area should be selected in term III, remaining six (06) electives can be opted in IV and V trimester as 3; 2 and 1 electives respectively. The remaining o4 papers i.e. (12 - 8 = 04) can be opted in III, IV, V and VI term as 1, 1,1 and 1 respectively from one respective area of minor specialization only.

Dual Specialization: Under the dual specialization option, a student has to select any two specialization areas out of the specialization areas available ((Marketing/Finance/HR/IB/IT) and has to opt for six (06 +06) elective papers from the basket of each of these two specialization areas. Out of which two compulsory electives should be selected based on the specialization area of their summer internship and

reaming four elective from that area should be opted in term IV, V and VI as 2, 1 and 1 respectively. The six elective from other specialization area should be opted in term III, IV, V and VI as 1, 2, 2, and 1 respectively.

1.4 Whether there is any revision/update of regulation or syllabi, if yes, mention their salient aspects.

The curriculum for MBA & MCA programmes is decided by the affiliating University for each year/ semester. In PGDM programme, every year course curriculum is reviewed to make it better in-terms of meeting industry expectations. Experts from the Industry and academia are invited to review the course content and suggest modifications, as may be required.

During academic year 2014-15, reviews have been done in the month of May- June, 2015 in the following functional areas:

- Marketing, Finance, Human Resource, International Business, Information Technology, General Management
- 1.5 Any new Department/Centre introduced during the year. If yes, give details.

- 2.7 Total No. of actual teaching days during this academic year

2.8 Examination/ Evaluation Reforms initiated by the Institution (for example: Open Book Examination, Bar Coding, Double Valuation, Photocopy, Online Multiple Choice Questions)

MBA & MCA are University affiliated programmes. Hence Institute follows the guidelines laid by the University for Internal and End term examinations.

Apart from the university laid guidelines the students of these programmes are given time to time assignments, presentations and surprise class tests.

In PGDM programme, I.T.S follows a system of continuous assessment. Throughout the term, the student is tested on his/ her ability to understand concepts, learn techniques and apply them to solving the problems of real world.

Evaluation is based on internal assessment and end term examination. End term examination is of 60 marks. Internal assessment comprises of 40 marks. Various components of internal evaluation are assignments, case analysis, Quiz test, presentations etc. A ten (10) point grading scale is used.

For each component of evaluation, the faculty member communicates the performance of the student through marks only.

At the end of the course, the faculty member aggregates on all the components of evaluation using the weights he/ she has prescribed in the lesson plan.

The trimester Grade Point Average (GPA) is to be calculated by computing the sum of the grade point in respective subjects multiplied by their respective credits, and dividing it by the total credits for all the subjects in the trimester.

2.12 How does IQAC Contribute/Monitor/Evaluate the Teaching & Learning processes:

IQAC plays a key role in improving the Teaching – learning processes through the following measures:

- 1. Encouraging student participation in activities organised by other institutions.
- 2. Student feedback is collected in each subject for evaluation about the level of teaching and understanding.
- 3. Learner centric pedagogy with focus on student involvement & participation.
- 4. Internal/External marks are analysed and measures are taken to improve the performance of the students by providing special guidance and arrangements of extra classes, if required.
- 5. Monitoring through Academic daily Report and Weekly reports.
- 6. Conduction of curricular and co curricular activities to take place with the help of various active committees and functional clubs.
- 7. Providing larger platforms to the students for competition.

*3.26 Major Activities during the year in the sphere of extension activities and Institutional Social Responsibility

Institute is socially responsible and offers community services through social initiatives "Parivartan"- the Slum Education Programme and "Uthan"- the Social club for poor meritorious students on a regular basis. Students of MBA have adopted poor students of neighbouring schools for conducting sessions on education and hygiene at campus on Sundays. The programme was launched on 26th January 2013. Students of I.T.S voluntarily join for this noble cause of educating children in slum areas. Summary of such social programmes conducted in the year 2014-15 is as follows:

Educating students of the socially underprivileged class (Parivartan)

• 50+ activities/classes conducted in the Slums of Ghaziabad.

Facilitating Meritorious Students from financially deserving class (Utthan Lab)

• 10+ Activities/classes conducted in the ITS, Ghaziabad campus.

Other CSR Activities:

- Dental & Medical Check-up Camp
- Donation of Blankets & Old Clothes
- Cancer Awareness Programme
- Tobacco and Drug Addiction Awareness Campaign
- Massive Plantation Drive
- Blood Donation

4.2 Computerization of administration and library

Computerisation of Administration:

Students of MBA & MCA Programmes are admitted through UPSEE. Computerized records of related aspects of students are developed and maintained for different uses.

In MBA & MCA programmes, the details related to attendance, internal assessment and examination form of students are uploaded on university website through Institute login. Examinations are conducted as per the university pattern and guidelines. Results of each semester are announced by the University on its website. The marksheet of students are being made available to the Institute by the University for issue to the students. Degree is being conferred at University Convocation function.

In PGDM programme the fully computerized Academic Programme Office takes care of all the examination related issues including the display of trimester wise results and preparation of mark-sheet and certificate under the supervision of Registrar and Examination Controller. Diploma to such students is being conferred during Convocation ceremony organized by the Institute every year.

Computerisation of Library:

- Air-conditioned Library
- Access to online Journals
- Subscription of online databases like Capitaline, Ebesco.
- Library Automation
- Separate reference section
- Separate reading section with seating capacity of 200 students.
- Computerized title / book search facility
- Computerized access, issue and return facility
- Separate computerized research section
- Hard bound copies of old newspapers and periodicals
- Publication of e-newsletter

4.5 Computer, Internet access, training to teachers and students and any other programme for technology upgradation (Networking, e-Governance etc.)

The Institute offers round the clock high speed Internet connectivity throughout the campus through its scalable high end optical fibre and highly secured Wi-Fi network including Boys and Girls hostels, cafeteria, library, auditoriums, seminar halls, and class rooms. Students from all the courses are provided latest laptop/ computers to help and aid them during their academic stint and the availability of high speed Internet make an exceptional blend of a tool for research and educational conveyance.

The students are also imparted training for the effective and efficient use of these resources for their academic fulfilment.

The Institute also impart training on Office productivity and skill enhancement to the staff members with the involvement of the faculty members and help them sharpen their skill to the mark of perfection. Staff personnel are trained on new technology, as may required.

To make the Teaching Learning process more effective some classrooms are empowered with the technologically advanced "Smart Boards". These boards again act as a vital tool in making the class room delivery more effective and the faculty members also enjoy using this tool as it offers a great flexibility in terms of managing multiple boards on a single boards using their laptop computers, and proving the hand-outs immediately after the end of the lecture to the students.

4.6 Amount spent on maintenance in lakhs:

i) ICT Rs.2299952.00

ii) Campus Infrastructure and facilities Rs.6125821.00

iii) Equipments Rs.81910.00

iv) Others Rs.5282440.00

Total: Rs.13790123.00

Criterion - V

5. Student Support and Progression

- 5.1 Contribution of IQAC in enhancing awareness about Student Support Services
- Ensuring proper display and sending information through mails to the students about student support services.
- Monitoring the activities of various cells like career guidance and counselling cell, grievance cell as well as functional club.
- Individual attention to the students by faculty mentorship programme.
- Discussion about the student Support services during formal meeting with students.
- Feedback of students on academics and facilities.

5.2 Efforts made by the institution for tracking the progression

The progression is tracked by the feedback of students and stakeholders about the Institute, processes etc

1. Student feedback

The student assessment of teachers is in place for all the subjects in all the programmes (MBA, MCA & PGDM). It is done through filling up of online faculty/ subject feedback form by the students on eleven parameters of assessment.

The composite feedback on each subject is shared with the concerned faculty by the respective Directors. In case of lower feedback; concerned faculty is being counselled individually by the Director and the action points to improve the feedback further is discussed and detailed down.

2. Feedback from stakeholder

- Feedback from the visitors of the Institute during Guest Lectures, seminars, FDPs and other events is taken in the form of writing of their comments in Visitors' Diary.
- Feedback and suggestions about the alumni participation related event is collected informally and through mail.

6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

Vision: Creating a Thinking Professional Order

Mission: Making Incessant Efforts to Create Learning Processes

Objectives:

- Generating new learning techniques
- Improving teaching processes
- Expanding the information technology capacity
- Strengthening the industry interactive network
- Facilitating professional practitioners in searching their potential
- Inculcate team spirit among the learners
- 6.2 Does the Institution has a management Information System

Yes.

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

The curriculum for MBA & MCA programmes is decided by the affiliating University for each year/ semester.

In PGDM programme, every year course curriculum is reviewed to make it better in-terms of meeting industry expectations. Experts from the Industry and academia are invited to review the course content and suggest modifications, if required.

6.3.2 Teaching and Learning

To make the inputs relevant and practical to the industry case based method of teaching is adopted. We also develop cases for teaching based on Indian experiences, which are used by the teachers in the classrooms. In the classrooms, the internal faculty inputs are supplemented with inputs from faculty of top most business schools of the country and industry executives through guest lectures/special lectures. Participation of students in seminar, softskills and skill based training are other means of learning.

6.3.3 Examination and Evaluation

MBA & MCA are University affiliated programmes. Hence Institute follows the guidelines laid by the University for Internal and End term examinations.

Apart from the university laid guidelines the students of these programmes are given time to time assignments, presentations and surprise class tests.

In PGDM programme, I.T.S follows a system of continuous assessment. Throughout the term, the student is tested on his/ her ability to understand concepts, learn techniques and apply them to solving the problems of real world.

Evaluation is based on internal assessment and end term examination. End term examination is of 60 marks. Internal assessment comprises of 40 marks.

A ten (10) point grading scale is used.

For each component of evaluation, the faculty member communicates the performance of the student through marks only.

At the end of the course, the faculty member aggregates on all the components of evaluation using the weights he/ she has prescribed in the lesson plan.

The trimester Grade Point Average (GPA) is to be calculated by computing the sum of the grade point in respective subjects multiplied by their respective credits, and dividing it by the total credits for all the subjects in the trimester.

6.3.4 Research and Development

We have definite plans to encourage faculty to do research, write articles in journals and magazines, submit papers in workshop and conferences etc. Towards this end, we already have various schemes for faculty- financial incentives, awards, provision of study leaves etc. These would be strengthened further so that faculty has enough time at its disposal to conduct research and publish the outcomes. Some of the key facilities are as follows:

- Leave for academic research
- Online databases like Ebsco & Capitaline
- Separate research section with dedicated Computers in library
- Award for best research papers during seminars.
