FROM VICE CHAIRMAN

Willingness to do the implausible. Zeal to set & achieve goals, an adaptable learning attitude & fervor to excel in the competitive environment are few mantras that can navigate oneself to the "Path of Success". The dynamics of IT Industry & changing business needs throws up challenges requiring different skills, ability and innovative ideas to manage diverse expectations. Education today has to be dove-tailed with the emerging shift in paradigm. Today world needs professionals humane at the core of their heart and committed to be able to make a difference in the quality of human life.

Institute strives to create a thinking professional order and our efforts are aimed at progressively higher quality and performance benchmarks to engage them in meeting the future challenges with success and determination.

I am confident that these students will surely be proved to be an asset to your organization. I thank you for your sustained support to the institute and confident that our relations will grow stronger and deeper with each passing year.

FROM DIRECTOR - IT

Growth & development in recent years, in context of computing & IT, have shifted the focus from classical high performance models to scale out models and resilient models like cloud computing, leveraging commodity hardware. Accordingly even software innovations like map reduce which offer a common man approach to building scalable software applications and algorithms thereof. In each generation, the infrastructure, the way we interact with these computers, and how we use them, have been shifting. Over the next few years, it is expected to see different trends which will include location awareness, context awareness, Augmented Realty would be just the tip of the iceberg.

The opportunities to participate & organize a number of literary, cultural and technical activities like seminars. Conferences, workshops and inter-institutional events highlighting research and development, provide a platform to the students to develop the necessary academic and intellectual knowledge resulting in overall development of our students and preparing a pool of budding technocrats who are ready to deliver in the industry.

I welcome you to partake in the final stages of their transformation into future technocrats and invite you on campus for placements of the MCA Batch of 2013-16.

Institute of Technology & Science

The Corporate Resource Center or the Placement Cell plays a vital role in bringing the industry and academia close to each other by providing Career Counseling; need based education and organization support.

It has the task to organize campus interviews for student placement & training and also organizes corporate guest lectures, industry interaction and Industry visits etc.

Works closely with recruiters like IBM, Accenture, Sapient, Cognizant, Oracle, Amdocs, Infosys, Wipro, TCS, Aon Hewitt, NIIT Technologies etc

Builds fruitful & long-lasting relationship with organizations in IT Sector

Organizes personality development programmes & skill development programmes with skill development cell of the department to upgrade the skills of students

Facilitates live project training in software companies for final year MCA students leading to final placement.

Global Presence Of our MCA students in leading IT Companies

Students get round the year opportunities in various companies and the placement process is continuously monitored through blended methodologies that help him/her secure successful placement in an organization. All the students get Project Training Opportunities and Final Placements through Corporate Resource Centre, which always remains active in the institution. The very success of I.T.S stands as a testimony as students get placed in many sought after companies.

IT Clubs

- Java Club –Work for technological enhancement of the MCA students in Java technology.

Puzzles of Java and practical applications of Java. The club hosts the event Sanrachna for the students of IT courses.

- Dot NET Club – Focuses on awareness of Microsoft Technologies among the students & uses of various Microsoft tools for Application Development.
- C Club – A forum for sharing and enhancing knowledge of C. The club hosts two events-I-Byte code and SPARDHA for the students. These events are Intra Institutional- C Programming contests for MCA students and objective is to motivate & enhance programming skill of students.
- DBMS-Club- providing learning opportunities in database and also preparing students for recruitment purpose.

SKILL DEVELOPMENT CELL

1. Understanding gaps in University curriculum & Industry requirements
2. To identify the technology & application domain for probable training/ workshops
3. To identify the viability of conducting the workshops/ training including identifying resource persons, technology support at institute etc, whether to conduct by internal resource or external resource.
4. To finalize the contents in consultation with Industry People (Alumni, Guests, Industry professionals who are working on these technologies)
5. To schedule and conduct Workshops/ Trainings at the institute for students.

The Cell works closely in coordination with Coordinator - MCA Program.

CSI STUDENT BRANCH @ I.T.S

- Every student admitted in MCA course at I.T.S becomes the student member of CSI student branch
- Students are given the opportunity to participate in various events organized by CSI student branch

ALUMNI SPEAK

Sanjeev Gupta
Batch: 2001-2004
Company- Lead
Consultant,
Capgemini

As said by one of my classmate I.T.S is Intelligent Talented Stock. It is one of the good collage for MCA in Delhi-NCR and having all the facilities required by student to gather knowledge and land into IT industry with all the required skills.

Ram Janam Singh
Batch: 2000-2003
Company-
Development Lead ,
Microsoft

One of, the best engineering colleges in India. With highly experienced faculty. Campus environment is amazing, very good Lab and Library, independent blocks.

Amit Dwiedi
Batch: 2005-2008
Company-Associate
Consultant, Siemens

I.T.S made me confident in my abilities and helped me envision myself beating all difficulties. The liberal environment to express oneself at The I.T.S always made me feel at ease. Special thanks to faculties for their extreme support in enhancing my technical competencies and soft skills.

Kamal Dodeja
Batch: 1998-2001
Principal Consultant,
Oracle Cooperation,
Noida

"It was a wonderful experience studying master degree at I.T.S because of the fact that each and every member of faculty and management was extremely helpful and cooperative. There are very few colleges in India having active Alumni programs running and when you attend Alumni meets which has been organized by I.T.S gives anyone an experience of close association and opportunity to relish old memories with college classrooms and faculties. I was telling my 5 year old son with proud that this was the place where your Dad has completed his last academic education and then he had so many question to ask...ThankYou every one @ ITS"

Vikas Sharma
Batch: 1997-2000
Wipro, PM-DWH

I have some best memories of my life from I.T.S. I can say that I.T.S gave us best education to pursue our dreams with limited resources as we joined I.T.S at the time of inception. And I can see that I.T.S achieved best position in the market and established as a brand in the field of technical education I wish all the best wishes to I.T.S faculty, all students and all alumni's.

Mr Ashish Bhatia
Batch: 1999-2002
Project Manager,
Data Science,
Microsoft, Bedford,
Massachusetts

This was like homecoming for me. So much has changed in 14 years, but still have that nostalgic feeling. Keep doing good, Keep Learning.

Alok Chauasia
Batch: 1999-2002
Associate Director,
Cognizant Technical
