MESSAGE

from Director General

Willingness to do the implausible, zeal to set & achieve goals, an adaptable learning attitude & fervour to excel in the competitive environment are few mantras that can navigate oneself to the "Path of Success". The dynamics of business world throws up challenges requiring different skills, ability and innovative ideas to manage diverse expectations. Education today has to be dove-tailed with the emerging shift in paradigm. Today world needs professionals humane at the core of their heart and committed to be able to make a difference in the quality of human life.

Institute strives to create a thinking professional order and our efforts are aimed at progressively higher quality and performance benchmarks to engage them in meeting the future challenges with success and determination.

Institute develops future leaders who understand fast changing business environment and are able to optimize opportunities. Our expertise in developing and delivering management curriculum has evolved over the years with a strong industry interface. The core strength is the right mix of infrastructural facilities, highly learned and experienced faculties and self-driven enthusiastic students. We organise a number of seminars, conferences, workshops and fairs highlighting research and development in various facets of management which provide a platform to the students to develop the necessary academic and intellectual knowledge resulting in overall development.

Prof. Shekhar Ghose

P02

from HOD-IT

Growth & development in recent years, in context of computing & IT, have shifted the focus from classical high performance models to scale out models and resilient models like cloud computing, leveraging commodity hardware. Accordingly even software innovations like map reduce which offer a common man approach to building scalable software applications and algorithms thereof. In each generation, the infrastructure, the way we interact with these computers, and how we use these, have been shifting. The arrival of web changed the model of building applications by enabling everyone to become a content producer. Over the next few years, it is expected to see different trends which will include location awareness, context awareness, Augmented Reality would be just the tip of the iceberg.

We, at I.T.S, Ghaziabad continuously work towards identifying latest industry trends and equip our students with require understanding of latest developments in IT industry by supplementing university curriculum with various Value Added Modules on these technologies and tools. The excellent state of the art IT infrastructure, regular Seminars, conferences, students development program helps in overall development of our students and preparing a pool of budding technocrats who are ready to deliver in the industry.

I welcome you to partake in the final stages of their transformation into future technocrats and invite you on campus for placements of the MCA Batch of 2012-15.

Alumni Speak

ALUMNI SPEAK

Vikas Sharma, MCA Batch: 2000
Project Lead, Steria Pvt Ltd, Noida

I have some best memories of my life from I.T.S. I can say that I.T.S gave us best education to pursue our dreams with limited resources as we joined I.T.S at the time of inception. And I can see that I.T.S achieved best position in the market and established as a brand in the field of technical education. I wish all the best to I.T.S faculty, all students and all alumni.

Anmol Gupta, MCA Batch: 2012
Software Engineer
HCL Technologies Ltd.

It was really an enriching experience in I.T.S. The kind of support and bonding which we had with the faculties was amazing. I still feel proud to be associated with this brand name.

P16

Prateek Sharma, MCA Batch: 2011
Software Engineer
Ascomp Technologies Pvt. Ltd.

It was a wonderful experience studying master degree at I.T.S because of the fact that each and every member of faculty and management was extremely helpful and cooperative. There are very few colleges in India having active Alumni programs running and when you attend Alumni meets which have been organized by I.T.S gives anyone an experience of close association and opportunity to relish old memories with college classrooms and faculties. Thank You every one @ ITS.

Amitabh Verma, MCA Batch : 2000

I.T.S helps to grow the students from base to expert with its extensive teaching methodology, industrial collaborations and technology partners with its well equipped infrastructure and highly competent faculty. I am thankful to ITS management and faculty for all hard-work and dedication to provide best available education and much needed exposure to succeed in professional life.

Prashant Kulshrestha, MIT Batch: 2001
WMS Software

I proudly say that I have been a part of I.T.S Mohan Nagar, Ghaziabad. An institute that has helped me in imbibing confidence in me, developing entrepreneurial qualities by encouraging and motivating to do something different. Excellent faculty and infrastructure helped a lot. I owe everything for what I am today to I.T.S.

Alok Chaurasia, MCA Batch: 2002
Manager, Cognizant, Belgium

It was memorable 3 years of my professional learning wherein we were inculcated with the corporate principles. I would love to prop up my proximity with the Campus forever... I recently visited ITS campus and it was fascinating to see all the positive changes...

Shailendra Malik, MCA Batch: 2003
Team Lead, Fiserv

If I try to figure out what was the best thing that happened to me in my academics, undoubtedly it was the decision to join ITS in 2000. Support from teaching staff, placement cell, administration dept was always unconditional. If I remember it right, ours was the first batch to study UPTU syllabus and that was the time when teaching staff did a phenomenal job in putting everything together ensuring our smooth run throughout the course. I am so very glad that I am a part of ITS family.

Sudhir Dhawan, MCA Batch: 2004
Team Lead, Rantecs
Software Pvt. Ltd.

I.T.S is an excellent professional college. All of my professors were exceptional and they helped me to shape my career to new heights. In Sansmaran-2012, I enjoyed a lot & felt great for being part of I.T.S after so long...

Achin Malik, MCA Batch : 2010-2013
Paramarsh Infomatics Pvt Ltd.

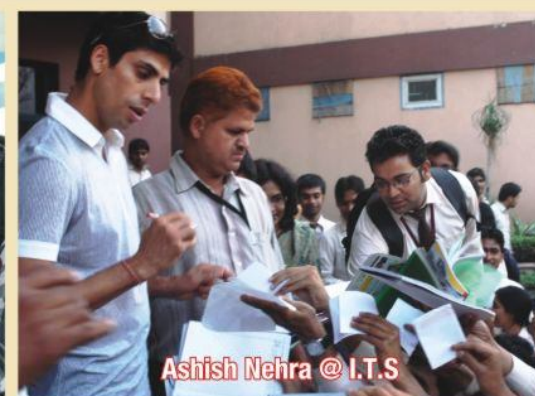

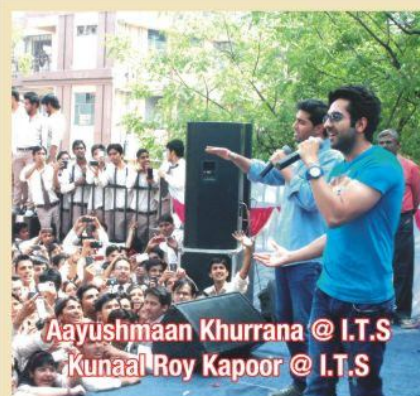

It was a great experience for me to study in I.T.S and got a strong platform for working today's competitive market of IT. There are such type of environment of study, where you can develop your technical and professional skills and finally got a good job through the college placement.

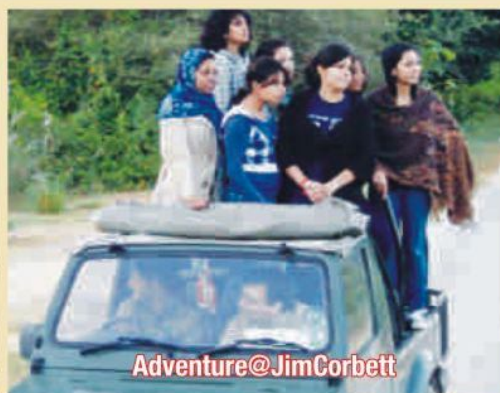

Amit Yadav, MCA Batch : 2010-2013
Syscom

My memories at I.T.S, Ghaziabad are unforgettable. I got lot of learning opportunities, well qualified and experience teachers eager to help students to understand the subject. I have gained knowledge about the working environment of companies through attending workshops and seminars by renowned professionals visited I.T.S and shared their knowledge and experience. In this entire process, excellent infrastructure, library and computing facility play crucial role in the learning process.

SHINING STARS

Alumni are the treasured assets of our institution. It is the success and professional growth of alumni that defines the performance graph of an institute and reflects on the ideals and principles of their existence. I.T.S maintains a web portal for its alumni. The portal serves as a medium of exchange for their experiences and a strong association is maintained with the faculty members with information up-dates and chats. Regular meets are organized to strengthen ties with the Institute and their contribution for placement of students is noteworthy.
