MESSAGE
FROM VICE CHAIRMAN

The dynamics of the social, economic and corporate world is throwing up new challenges requiring different skill sets, personality and ability to manage diverse situational expectations. Education today has to be dove tailed with the emerging shift in paradigm. The world today needs professionals committed and humane at the core of their hearts to be able to make a difference in the quality of human life.

I.T.S established in 1995 is an institution which focuses on holistic development and aims to imbibe the right mix of theoretical knowledge and practical exposure to learners. The core strength of I.T.S Group is the right mix of infrastructural facilities, highly learned and experienced faculty members and self-driven enthusiastic students.

We organize a number of Seminars, Conferences, Workshops, Marketing Fair highlighting Research and Developments in various facets of Management which provides a platform to the students to develop the necessary academic and intellectual knowledge resulting in all round intellectual development. The focus on value based education coupled with extracurricular activities results in preparing students to acquire the requisite skills and attitude to support and steer corporate in their varied endeavours.

The Institute has a Corporate Resource Centre (CRC) which organizes guest sessions by senior practitioner of the leading corporate of India, Summer Training and the final placement of students. This networking also assists us in constantly updating our curricula and designing industry relevant courses.

I.T.S strives to create a thinking professional order and our efforts are aimed at progressively higher quality and performance benchmarks to offer human resources with desired knowledge, skills and attitude to facilitate the organizations in their mission of creating a better world.

Mr. Arpit Chadha
Vice Chairman

FROM DIRECTOR - IT

Growth & development in recent years, in context of computing & IT, have shifted the focus from classical high performance models to scale out models and resilient models like cloud computing, leveraging commodity hardware. Accordingly even software innovations like map reduce which offer a common man approach to building scalable software applications and algorithms thereof. In each generation, the infrastructure, the way we interact with these computers, and how we use these, have been shifting. The arrival of web changed the model of building applications by enabling everyone to become a content producer. Over the next few years, it is expected to see different trends which will include location awareness, context awareness, Augmented Reality would be just the tip of the iceberg.

We, at I.T.S, Ghaziabad continuously work towards identifying latest industry trends and equip our students with require understanding of latest developments in IT industry by supplementing university curriculum with various Value Added Modules on these technologies and tools. The excellent state of the art IT infrastructure, regular Seminars, conferences, students development program helps in overall development of our students and preparing a pool of budding technocrats who are ready to deliver in the industry.

I welcome you to partake in the final stages of their transformation into future technocrats and invite you on campus for placements of the MCA Batch of 2012-15.

ALUMNI SPEAK

ALUMNI SPEAK

Sangeeta Singh, Batch 2004-2007

I.T.S is an excellent professional college. All of my professors were exceptional and they helped me to shape my career to new heights. In Sansmaran-2012, I enjoyed a lot & felt great for being part of I.T.S after so long…

Ram Janam Singh Batch 2000-2003
Development Lead, Microsoft

I have some best memories of my life from I.T.S. I can say that I.T.S gave us best education to pursue our dreams with limited resources as we joined I.T.S at the time of inception. And I can see that I.T.S achieved best position in the market and established as a brand in the field of technical education. I wish all the best to I.T.S faculty, all students and all alumni.

Shailee Mishra, Batch 2004-2007

I.T.S helps to grow the students from base to expert with its extensive teaching methodology, industrial collaborations and technology partners with its well equipped infrastructure and highly competent faculty. I am thankful to ITS management and faculty for all hard-work and dedication to provide best available education and much needed exposure to succeed in professional life.

Abhishek Singh, Batch 2008-2011
Sr System Engineer, Infosys Chandigarh

I proudly say that I have been a part of I.T.S Mohan Nagar, Ghaziabad. An institute that has helped me in imbibing confidence in me, developing entrepreneurial qualities by encouraging and motivating to do something different. Excellent faculty and infrastructure helped a lot. I owe everything for what I am today to I.T.S.

Ajeet Solanki, Batch 2002-2005

It was memorable 3 years of my professional learning wherein we were inculcated with the corporate principles. I would love to prop up my proximity with the Campus forever… I recently visited ITS campus and it was fascinating to see all the positive changes …

Awdhesh Chauhan Batch : 2009-2012
Tech Lead, E Smart Systems

It was a wonderful experience studying master degree at I.T.S because of the fact that each and every member of faculty and management was extremely helpful and cooperative. There are very few colleges in India having active Alumni programs running and when you attend Alumni meets which have been organized by I.T.S gives anyone an experience of close association and opportunity to relish old memories with college classrooms and faculties. Thank You every one @ ITS.

Ashish Mittal Batch 2000-2003
Vihan Networks Ltd

It was a great experience for me to study in I.T.S and got a strong platform for working todays compitative market of IT. There are such type of environment of study, where you can develop your technical and professional skills and finally got a good job through the college placement.
