Happy Republic Day to all readers

सत्य औ अहिंसा का, देता जो मंत्र है
हर्षोल्लास भरा, दिवस गणतंत्र है।

आबाल वृद्ध, नर नारी के, हृदय में
देश प्रेम, प्रसारता, हमारा गणतंत्र है।

सेवा, समर्पण और, त्याग भरी भावना
तन मन, धन वारना, सिखाता गणतंत्र है।

नफरत बुराई बैर आदि को

मेटता

जन मन में, प्यार को,
बढ़ाता गणतंत्र है।

जाति मजहब के, भेद
कोई, पाले नहीं
मानवता धर्म, सिखलाता
गणतंत्र है।

मानवीय, मूल्यों का, दुनिया में सर्वश्रेष्ठ
संदेश, विश्व शांति का, देता गणतंत्र है।
सुख दुख के, साथी बन, भाईचारा पालें
समरसता पाठ, हमें, पढ़ाता गणतंत्र है।

सर्वजन हिताय है, सर्वजन सुखाय

An Industrial Visit to Yakult Danone, Sonapat, Haryana by the students of PGDM III Trimester.

32 students of PGDM (third trimester), ITS, Mohan Nagar, Ghaziabad made an industrial visit to Yakult Danone, Sonapat, Haryana on 23rd of January, 2013. Four foreign students namely Yuva Maruyama, Daydova Evgenya, Agata Bielezewska and Krzysz Remingiusz Kubiak also enjoyed this industrial visit as they are residing and learning at ITS presently under the student exchange programme. Prof. Neetu Purohit and Prof. Gopal Krishna Dwivedi accompanied and guided the students.

Yakult is a fermented milk drink containing over 6.5 billion probiotic (friendly) bacteria - Lactobacillus casei strain Shirota. These friendly bacteria in Yakult help to improve digestion and build immunity when consumed every day. Over 30 million people in 32 countries drink Yakult every day. Yakult was first launched in Japan in 1935, and today with over 75 years of history, Yakult is a global leader in the probiotic drinks market. Yakult Danone India (P) Ltd is a 50:50 JV between Yakult Honsha, Japan and Groupe Danone of France, both of which are global probiotic leaders. The JV was formed in 2005 to manufacture and sell probiotic products in the Indian market. Yakult, a probiotic drink was launched in India in 2007, and is presently available in Delhi, NCR, Chandigarh, Punjab, Jaipur, Mumbai, Pune, Hyderabad, Chennai and Bangalore. Yakult is manufactured at an ISO 9001:2008, HACCP and OHSAS 18001:2007 certified manufacturing facility in Sonapat, Haryana in India.

The students and faculty members were warmly welcomed and received by Ms. Reena at the Sonapat plant of Yakult as soon as they reached. First of all they were made to sit in a sophisticated presentation room where Ms. Reena made a presentation on the history and profile of Yakult. She also played a video showing the significance of probiotic drinks and the popularity of Yakult throughout the world. Soon after these presentations the students were taken to the manufacturing section where they saw the most advanced machines processing the manufacturing of Yakult, the probiotic drink in controlled, hygienic and strictly supervised conditions.

The visit proved to be extremely important and enjoyable. Students asked a number of questions in the query session and noted down the answers. At the end, the students were also gifted with the sample bottle of Yakult drink which they really liked. The response of the company professionals Ms. Priyanka and Ms. Reena was extremely cooperative and professional.

Guest Lecture on “India and Self-reliance in IT” by Dr. Debesh Das, Professor-CSE, Jadavpur University, Kolkata at I.T.S, Ghaziabad

In the series of Distinguished Talk by renowned speakers, an Invited Talk on “India and Self-reliance in IT” was organized by CSI-Student Branch @ Department of IT on 09th January, 2013 at the institute. Professor-CSE, Jadavpur University, Kolkata, Chairman, CSI-Division III (Applications), Ex-Minister in IT, West Bengal and President Free Software Movement in India, Dr. Debesh Das was the invited speaker on this occasion. Besides teaching, he was very much involved in Research with special interest in VLSI design, VLSI testing, Logic Synthesis, etc. and is having 23 years experience in this particular field. He was a visiting Professor of Asian Institute of Technology, Bangkok. He visited different countries like USA, Italy, China, Canada, Denmark and many more for research studies and presentations.

While addressing the gathering, Dr. Das emphasized on the usage of Free Software and told that we should not go for Proprietary Software and stop using the licensed s/w. He told why Microsoft is not taking any action against usage of pirated software in India that it is the policy on how to make people habitual of using their s/w and later on by compulsion they have to purchase it. He enlightened us several advantages of using Free Software like that we have complete control on every part of the software being used, have complete permission to change the same if it is required and if we face any of the problem in doing so then there are so many peoples in the world who are there for the support. Dr. Das also informed that we should be free to use the software, its applications, its permission and to enhance its capabilities as per our needs and this flexibility is not available with the proprietary software. Dr. Das also informed that there are some other good MNC’s like TCS, HCL and other software companies who are developing their applications using free software technologies just because of having flexibility of permission to work as per our requirements and promoting the development on this platform. Dr. Das ended his talk with the sentence “Freedom cannot be Stopped”.
