Another Year Comes To an end... With a New Beginning

It was a bright cold day in November, and the clocks were striking ten. (Sounds interesting...!!! Isn't it??) But that's how our lives are changing drastically in this new and current era of technology. In this changing era, digitization is like a boon to the society. It is however considered as the *Mother of all Reform* in India and across the globe. Like many other countries, India is also standing on the verge of being cashless society.

Not only this but many more similar miracles had happened and the best n foremost example is of Donald Trump winning over Hillary Clinton. God knows or Trump knows, if it is a boon or curse for India. Again there is a very drastic conflict running out against Cyrus Mistry as Tata is now not In any mood to have Mistry as its part of TATA Empire

Now keeping all these serious matters aside...lets talk something interesting. Example is Mobile phones are now considered as an external organ of a human being....Sounds silly??? But ultimately the universal truth of life. It is that external part of our, without which it is difficult to think of survival on this planet as a normal person. (Looks like a PK thing..!!!). Secondly, Procrastination – “The Real Villain in Time Management.” Are you always short of time? Do you wish you had more than 24 hours in a day? Well, if you make a list of things which leads to your poor time management, you will find a monster in it – nothing but Procrastination. Defined as “The act or the habit of delaying or putting things off”.

At last, as my title suggest, it now comes to an end of the year having some problems or issue but more happiness and peacefulness with it. But every night has a day, so hope this New Year will resolve all issues and we people may become more vibrant and maintain a “*Can – Do*” attitude for any situation.

Happy Reading

1st Oct, 2016 activity of 'Parivartan' was a historic and super-hit activity that included a literally rocking Dance Competition, followed by an advance celebration of Gandhi-Shastri Jayanti and a practical session in the computer labs. The best four dancers were awarded with the Milton tiffins.

2nd Oct, 2016 activity of 'Parivartan' was a melodious and meaningful celebration of the birth anniversary of Mahatma Gandhi and Shri Lal Bahadur Shastri. The slum children were also briefed about the National Cleanliness Day (Rashtriya Swachchhta Diwas) which was being celebrated across the country.

9th Oct, 2016 activity of 'Parivartan' was an advance celebration of Dussehra along with a regular class. Class started with the regular checkup of the hygiene and personal grooming of the slum children. Story of Lord Rama, Lakshman and goddess Sita was explained in brief.

13th-15th Oct, 2016 - Disha organized a donation camp for underprivileged children in Vasundhara Sector - 14, as a CSR initiative. The donation camp was organized by the students of BBA/BCA courses. Donation camp was successful as many students, faculty & staff members donated winter clothes, note books etc.

16th Oct, 2016 activity of 'Parivartan' was a knowledge-packed combo class that included the names of fruits and vegetables along with a step ahead exercise in writing Hindi alphabets. Initially the children were told about fruits followed by the names of the vegetables.

23rd Oct, 2016 activity of 'Parivartan' was an extremely interesting class on 'Shapes' in which slum children learnt about various shapes through the cut-outs displayed by the volunteers.

30th Oct, 2016 activity of 'Parivartan' was an unforgettable Deepawali Celebration with the slum children who enjoyed the brief and quiz on Diwali followed by prizes, eye-catching decorations, aarti of Goddess Laxmi, Rangoli with floating diyas, laddoos, etc. The children were told to avoid burning crackers on Diwali as this leads to pollution and suffocation.

6th Nov, 2016 activity of 'Parivartan' was a class in which the topic of pollution was discussed. The children were asked if they had mild irritation in their eyes or not. The reason for irritation, types of pollution, causes and the remedies to control pollution were described.

13th Nov, 2016 activity of 'Parivartan' was an advance celebration of the Children's Day. The children were told about Chacha Nehru who was very fond of children and whose birthday is celebrated as the Children's Day. They also practiced previous exercises of counting from 1 to 100 and English alphabet.

20th Nov, 2016 activity of 'Parivartan' was to give a class on 'Money Management'. The children were told what Currency is and about the different currencies of various countries. A passing reference of demonetization was also made to make the children understand the present day scenario across the country.
