## Two Day National Finance Seminar on “Concurrences & Opportunities for the Financial Sector”

February 6-7, 2015

Institute of Technology and Science, Ghaziabad organized the prestigious two day National Finance Seminar “Concurrences and Opportunities for the Financial Sector” on 6<sup>th</sup> and 7<sup>th</sup> February, 2015. Director of the Institute informed that every year three such national seminars are organized by the Institute in the domain of HR, Marketing and Finance. This was the third national seminar of the year in sequence. The purpose of these seminars is to update the knowledge and skills of the students with the latest industry inputs and trends.

Chief Guest for the seminar was Dr. Girish Tripathi, DGM, NTPC Power Management Institute who shared the recent developments in the field of finance and advised the future managers to remain updated and poised as there will be increased demand of financial experts in future. On the first day of the seminar, more than 50 researchers presented their papers on the basis of their research done in the different areas of finance. A compendium of the submitted research papers was also released during the inaugural session of the first day of the seminar.

The Second day of the National Seminar was jointly inaugurated by the Chief Guest of the session, Mr. Brijesh Grover, Chief Cost Controller, Nokia Siemens Network; Keynote Speaker, Dr. Deepak Tandon, Professor, IMI, Delhi; Director Management, Dr. Sapna Rakesh and Seminar Convener, Dr. Anusha Agarwal. The speakers expressed their hopes and expectations related to the development and growth in the financial sector and shared their fears about the risks in the area. They also discussed the measures for handling the challenges so that the overall growth is not hindered. On this day, 52 delegates from 26 different countries also participated in the seminar.

On the second day of the seminar, Inaugural Session was followed by two technical sessions and one panel discussion. Topic for the first technical session was ‘Financial Markets in India: Roadmap till 2020’. The speakers of the session were Mr. Ajay Chauhan, Vice-President, Master Capital; Mr. Anil Agarwal, Chairman, Anil Financial Plaza; Mr. Gurusharan Bansal, Senior V.P., UTI, Asset Management Ltd. and Mr. Gurveer Singh Jaiswal, Deputy V.P., Kotal Commodity Services. The speakers discussed how for the success of the financial sector, the vision, competence, firmness and the implementation policies of the

government play a crucial role. Besides, India should focus on relationships with the countries which are the buyers of Indian goods like African and gulf countries.

Topic for the second technical session was ‘Emerging Issues in SME Financing’ and the speakers were Dr. Rishi Raj Singh, Director, NIESBUD, Noida and Mr. Pankaj Singh Sahu, Credit Manager, Syndicate Bank. The speakers discussed the issues in SME financing in details along with the opportunities of employment in the area and the associated challenges. They expressed their hope that in the coming years, the employment and economy in India mainly depends on SMEs.

The fourth session of the day was a panel discussion on ‘Political Environment and Impact on Indian Financial System’ which was moderated by the journalist Ms. Parul Jain. The speakers on the panel were Mr. Amit Bajpai, Vice-President, DIA Skills; Mr. Yogesh Kumar, Director, Credit Works and Mr. Rajnish Kataria, Director and CEO, NIBSCOM. The panel discussion touched various aspects of Indian Economy and political sovereignty and concluded that the progress in political ideology and financial sector are complementary to each other and that the current government should also execute the programmes and decisions of the previous governments with due respect to their own ideology.

During the valedictory session, Dr. C.M. Joshi (IBM, Pune), Dr. Y. S. Vaishyapayan (Director, Parikrama Institute of Management, Pune), Dr. Abhyakinkar (Professor, Naiveli Wadia Institute of Management, Pune), Dr. Manish Madan and Dr. Anil Kumar Goel (RDIAS, Delhi) were awarded with the trophies and the certificates in the faculty category. In the student category, Mr. Krishna Kant (Jaipuria Institute of Management, Noida), Ms. Akanksha Sharan and Mr. Souvik Dutta (I.T.S, Ghaziabad) and Mr. Rishabh Jain and Mr. Anuj Kumar (I.T.S, Ghaziabad) were awarded with the cash prizes and the certificates for their papers and presentations.

Dr. Anusha Agarwal was the convener and Dr. Raghendra Dwivedi was the co-convener of the seminar. Approx 200 experts from the industry and the academia participated and benefitted from the seminar.

## Industry Visit to Mother Dairy, Delhi by the PGDM 2014-16 Batch Students

January 19, 2015

Management Department of Institute of Technology and Science, Ghaziabad organized an industry visit to Mother Dairy, Delhi on 19<sup>th</sup> January 2015, for its PGDM (2014-16 Batch) students. The students along with the faculty members Dr. V.N. Bajpai and Dr. A.P. Tripathi were welcomed by company personnel followed by visit to production site and observation of various machines and their operating mechanism. During the visit the essential processes of a dairy unit viz, clarification, standardization, homogenization and pasteurization were discussed in detail by a company professional.

They informed that Mother Dairy is one of the largest liquid milk companies in Asia. Mother Dairy was commissioned in 1974 as a wholly owned subsidiary of the National Dairy Development Board (NDDB).

It was an initiative under Operation Flood, the world's biggest dairy development program launched to make India a milk sufficient nation. Today, Mother Dairy manufactures markets & sells milk and milk products including cultured products, ice creams, paneer and ghee under the Mother Dairy brand. The company also has a diversified portfolio with products in edible oils, fruits & vegetables, frozen vegetables, processed food like fruit juices, jams, pickles etc to meet the daily requirements of every household. The students not only enjoyed the visit but also gained useful insights into the operations and product management of Mother Dairy

## Visit to Training Centre at Power Management Institute, Noida by PGDM (2014-16 Batch) HR Specialization Students

March 24, 2015

Management Department of I.T.S, Ghaziabad organized a visit for PGDM (2014-16 Batch) HR specialization students to NTPC training centre, Noida known as. Power Management Institute of NTPC on 24<sup>th</sup> March, 2015 along with faculty members Dr. Charu Chaudhry & Dr. Anusha Agarwal.

The visit was planned to show the relevance of training & development for corporates and the facilities created by them for the development of their employees. Thirteen students who had opted for 'Learning and Development' as their area of specialization in PGDM program visited the training campus. Initially, students visited training facilities such as conference rooms, activity rooms, breakout rooms etc after which Mr Indranil Mitra, Addl. General Manager, PMI took a session for the students. He explained the training procedure of NTPC and further elaborated that the process begins with TNA (Training Need Assessment) which had 3 levels employee, department and top management. He deliberated upon the various types of training given to employees viz: technical training, IT training, management training and planned interventions through PMI and EDC (Employee Development Centre) located across all plants. The students also got the opportunity to understand how simulation training actually works. Technical trainer, Mr Dilip showed and briefed the students about the stimulator room where engineers are trained for a period of 7-8 days before proceeding for actual control room. Before leaving PMI, Dr Charu Chaudhry & Dr Anusha Agarwal presented memento to Mr Girish Chand Tripathi, Head NTPC School of Business, who was kind enough to arrange this visit and to Mr Indraneel Mitra, AGM, PMI who spared his valuable time to brief students about training process of NTPC.

The visit gave an opportunity to the students to understand the training & development process with the help of live examples and they were thrilled to see the simulation room, something which they couldn't visualize in the classrooms. It was a great learning and a memorable experience for all.

## Discussion cum Debate Competition organized by I.T.S. IB Club

February 18, 2015

A debate cum discussion competition organized by I.T.S. IB Club was successfully conducted on the topic 'Emerging Vistas in International Business Due to New Govt. Approach in India'. A total of around 10 teams participated in this most lively discussion on the topic. Teams were selected out of 15 teams which applied for participation. Dr. Sapna

Rakesh, Director – Management, addressed the students on the topic of the debate. The students were deeply impressed by her description on the topic of the debate as well as her inspirational words. Dr. Namita Dixit and Prof. Kanika Tandon faculty members from UG Department along with Prof. Lalit Sharma management faculty judged the discussion. A number of pertinent questions were asked by the judges and audience to make the discussion fruitful.

Several new insights emerged from the discussion on the topic, especially related to what difference new Modi govt. has made in India in last 9 months to help IB sector of the economy. ## WORKSHOPS

### Faculty Workshop on Google Classroom Organized by Binary IT Club

January 9, 2015

Binary Club organized a 2 hour workshop on Google Classroom on 9<sup>th</sup> January, 2015 for management faculty members. The workshop was attended by Dr. Sapna Rakesh, Prof. Nitin Saxena, Prof. Vijesh Jain, Prof. Lalit Sharma, Prof. Shikha Arora, Prof. Vineeta Srivastava, Prof. G K Dwivedi, Dr. P U B Rao, Dr. Mukesh Porwal, Prof. G N Srivastava and Dr. Pankaj Kumar. Prof. Kapil Mohan Garg was the resource person for the activity.

Google Classroom is a learning management system for educational institutions which aims to simplify creating, distributing and grading assignments in a paperless way. It aims to tie many Google products together into an environment built for education. I.T.S. Management Department initiated to use it as an e-academic governance tool. Google Classroom is available to I.T.S. as it is a free suite of productivity tools for those having Google Cloud services.

Faculty members learnt how to design, create & collect assignments in a paperless form including time-saving features like the ability to automatically make a copy of a Google Doc. for each student. The tool also makes students know their pending assignments or other work to provide real-time feedback and grades right in the classroom. The faculty members also got an insight into other tools like ‘Announcements’ where they can post import announcements and notices to students which can be also commented on by students allowing for a two-way communication between the faculty and the students. Multiple types of media can be attached to announcements and posts to share any content. The session provided valuable insights and inputs to the faculty to further enhance teaching learning experience both for the faculty and the students.
