17.3 Industry Linkage

The Institute strives to create forward linkages, with organizations and institutions, where our students get absorbed. Interaction with Industry is promoted in the following ways:

- **Guest lectures, workshops, and informal interaction with industry experts:** This helps in bringing real life experiences into classrooms while at the same time acquainting the industry with our schools and programs so that they may become potential recruiters. Experts from the industry have also been involved in consultative processes
- **Internships and short-term live projects:** Internship and live projects are characteristics of the PGDM program offered at I.T.S. This gives our students hands-on experience, and enables them to apply the concepts learnt in the classroom to the workplace.
- **Placements:** The Corporate Resource Centre of the Institute looks into the placement of students. The key responsibility of the Centre is to act as an interface between the students and potential recruiters, and smoothen the process of campus placements.

20. Best Practices adopted, if any

1. Reformed Teaching Learning Process

It is a combined process where a teacher assesses understanding needs, establishes particular learning objectives, formulates teaching strategies, enforces a plan of work, and assesses the outcomes of the instruction. Teaching-learning process consists of various variables

- a) Student centric learning
- b) Activity based learning
- c) Project based learning
- d) Technical Quiz
- e) Student Mentoring

2. Campus to Corporate:

Special sessions are being organized under “Campus to Corporate” theme to make students aware of corporate culture and prepare them with the necessary skills required such as time management, planning and prioritization, team building skills, goal setting etc. Campus to corporate training is a soft skills program that helps students transition smoothly into corporate life

3. Centre of Excellence:

A) Innovation and Entrepreneurship:

Brief Description:

Institute of Technology and Science, continuously endeavors to create an ecosystem for innovation and entrepreneurship by encouraging ideas for startups and sowing seeds for cultivating and honing entrepreneurial abilities among students. Towards this it also works in tandem with the goals of Ministry of Human Resource Development (MHRD), Govt. of India that has established 'MHRD's Innovation Cell (MIC)' to systematically foster the culture of innovation.

a) Institution Innovation Council (IIC):

A fully fledged and active IIC cell functions in the institute for knowledge sharing towards promoting the culture of entrepreneurship, innovation and incubation. It aims to establish a dynamic Ecosystem for Scouting Ideas and Pre-incubation of Ideas by way of orientation of students and faculty on IPR, design thinking, prototyping, building business models and canvas. The institute focuses on identifying budding entrepreneurs and offering them the required support in terms of logistics, technical support, location of potential investors, collaborating with incubators etc.

b) National Innovation and Startup Policy (NISP):

As per the directions of Ministry of Education's Innovation cell, the NISP was formulated in the institute and its implementation ensured with guidance of external experts active in the fields of incubators, startups, industry and academia. With the implementation of its own NISP document, the institute seeks to create a healthy, promising and facilitating culture for young innovators, entrepreneurs and startups in overcoming barriers while trying to market their innovation and growth from scratch to scale.

c) Business incubation center of MSME:

The Ministry of MSME has approved the establishment of business incubation centre in 2020 and 2021 at the campus highlighting the credibility of its efforts in developing and shaping an environment of innovation in the minds of its student innovators.

Activities satisfying the framework of innovation carried out by the institute include exposure of students to concepts of product identification, product and market fit, market analysis, cost model, revenue model and breakeven analysis through its ongoing orientation sessions including workshops, guest lectures, business plan competitions, inter college events like business, startup, innovation, entrepreneurship summits and conventions.

B) Centre for Executive Education (Management Development Program – MDP)

I.T.S Ghaziabad has highly acclaimed MDPs centre around key business fundamentals like Managerial Effectiveness, Team Building, Effective Communication, Cost Management, Sales & Marketing skills, Rural Marketing etc These programmes are in the nature of 'open-enrolment' courses with participation open to all practicing/experienced managers and/or executives.

The pedagogy employed involves a variety of teaching methods: case studies, simulations, role plays, closed group analyses, and applied learning projects, interspersed with lecture sessions on theory and practice. The sessions are essentially interactive, and participants are encouraged to question assumptions, identify opportunities, solve complex problems, develop operational performance, boost productivity, and in the process, build sustainable competitive advantage. The knowledge and insights gained as a result of such sessions have immediate applications for management challenges.

Institute also offers exclusive customized programs, to address specific Executive Learning and/or Corporate Training mandates from individual organizations. In this format, training contents are designed in collaboration with the client organization, and scheduled at a mutually convenient date and venue.

4. Green Initiative:

- A third party audit of the Institute in respect of Green Audit, Energy Audit and Environmental Audit.
- The Institute advocates the benefits of renewable energy and therefore installed a 250 KWp solar power generating system on roof tops of all academic blocks of the Campus to meet the energy needs of the Institute. Apart from this solar water heating system is also provided in both the hostels.
- Rain Water Harvesting is managed by Parle Agro Pvt Ltd, Ghaziabad in the Campus at different places.

5. Other Activities:

- **Student Outreach Program:** The Institute organizes an annual quiz series for outside colleges at nearby areas. This Activity requires support from students as coordinators. The purpose of the program is to provide school students valuable exposure of higher education and motivate them for Management/ Technical education.
- **Value added courses:** Value added courses have been made a part of the curricula in order to increase the employability of the students by equipping them with
