Department of MCA, I.T.S Ghaziabad, organized a session on "Introduction to Virtual Lab" on January 7, 2023.

Department of MCA organized a session on "Introduction to Virtual Lab" on 7 January 2023. The objective of the session was to give the introduction about virtual labs. How the students can access the virtual labs and what is the benefit of the virtual lab. The idea of virtual laboratory is to provide the students a chance to perform experiments using the internet and visual aids without having the equipment at their end. The laboratory experience is obviously an important part of engineering education, which goes a long way in building up good quality engineers. The Virtual lab program presents a unique opportunity to boost the quality of engineering education, deepen understanding, and provide the necessary practical skills to young minds through cost effective outreach and distance learning activities. The session was attended by 146 students.

Department of MCA, I.T.S Ghaziabad, organized a 3-Days Boot Camp on "Block Chain, Crypto Currency and Cloud Computing" for MCA (2022-24) batch students on from January 16, 2023 to January 18, 2023.

I.T.S Mohan Nagar UG Campus organized a SYMPOSIUM on "DigitALL: Innovation and Technology for Gender Equality, Embrace Equity" on the occasion of International Women's Day on Saturday, March 4, 2023

I.T.S Mohan Nagar UG Campus celebrated International Women's Day on March 4, 2023. In her inaugural address Prof. Nancy Sharma, Vice Principal- UG talked about the challenges faced by women in society. She also added that a woman is a most powerful and beautiful creation of God. Behind our existence, there's a woman. But somewhere in our societies, women are still underestimated and believed to be weaker than men. This is high time when we should recognize the power of women and help them to prove to the world that they can do anything they want to do. Director- UG, Dr. Sunil Kumar Pandey, welcomed all the eminent guests with his motivational words. He said that today's woman is no longer a dependent soul, she is independent and self-reliant in every respect and is capable of doing everything. Let's recognize the importance of their existence and motivate them for future achievements.

The eminent speakers for the workshop were Mr. Shakeel Ahmed and Mr. Abhishek Shankhwar - Microsoft Certified Trainers. Mr. Shakeel Ahmed shared his views about various types of Power BI reports and compared these reports with SQL reports. He shared about the role of Extraction, Transformation, and Loading in data mining. He also discussed various patterns in large data sets and how these patterns help in Predictive Analytics. He also explained Business Intelligence data architecture to handle the ingestion, processing, and analysis of data that is too large and complex for traditional database systems. He further talked about machine learning techniques i.e., supervised learning, unsupervised learning, and reinforcement learning, and the application of machine learning in business domains.

I.T.S. School of Management organized a workshop on “Research Modelling and Data Analytics for Future Prospects” for students of the PGDM (2022-24) Batch on 20th March, 2023.

The sessions were addressed by Mr. Yogeshwar Prakaash, Senior Consultant, and Mr. Tandeep Chattopadhyay, Senior Analyst at Evalueserves Pvt. Ltd, Gurugram. Mr Tandeep focussed on research modeling and research techniques for resolving the issues of organization and society. He discussed various types of research i.e. Exploratory Research, Descriptive Research, and Causal Research. Mr. Prakaash explained about use of SPSS in Data Analyses and elaborated on Data Modelling. The workshop was coordinated by Dr. Rajeev Johari.

I.T.S UG Campus organized 2-days workshop on “Web Application development using Python” for the students of BCA on March 31 & April 1, 2023

The objective of the workshop was to provide basic knowledge of Python, HTML, CSS, Java script, understanding of working on Django framework and finally to build web applications. This workshop was taken through offline mode. After covering basic knowledge of HTML, CSS, students designed their own static form. Students configured their laptop with Django environment and Pycharm. They also implement the CRUD application under the guidance of trainer. Following points were discussed in the workshop: Introduction to Python, Introduction to VS Code, Writing Python Programs, Python Syntax, Comments, Variable, Set, List, Working on Django Framework and Pycharm, Frontend & Backend Connectivity, CRUD Application etc. At the end students were given a module to develop.

I.T.S School of Management, Ghaziabad organized a workshop on "Personal Branding using Social Media" for the final year students of BBA and BCA courses on April 03, 2023.

Prof. Yachna Malhotra, I.T.S School of Management introduced the importance and requirement of Personal Branding in the professional and corporate life. An ice-breaking activity was conducted to make students alert and active listeners for the session. The session was a mix of the slide show coupled with some interesting activities, engaging videos, and online quizzes to make students understand the significance and need of Personal Branding and how to make the best use of their smartphones and social media to increase their networking and branding in the virtual age.

A SIP workshop on "Corporate Expectations from Summer Internship" was organised at I.T.S School of Management on Wednesday, April 05, 2023.

The objective of the workshop was to make PGDM 2022-24 students understand the corporate expectations for them during their summer internships beginning May 2023. The workshop was taken by distinguished alumni resource, Ms. Anchal Ganjoo, India Compliance Lead, Asset Management, Ameriprise Financial Services, LLC (Alumnus PGDM 2013-15 Batch), and Ms. Shivangi Singh, Team Lead, Google Cloud Sales Enablement, Cognizant (Alumnus PGDM 2016-18 Batch) for PGDM (2022-24) Batch. Ms. Anchal Ganjoo, shared that the responsibilities of an intern have evolved. In many internship programs, one can work on projects, manage a small team, and even work alongside some executives. It's also not uncommon to receive a full-time offer upon completion of one's internship with a company.

I.T.S School of Management, Ghaziabad organised a workshop on "Data Analytics through Microsoft Power BI and Advance Excel" for the PGDM (2022-24) batch from 16th- 24th March, 2023.

The eminent speakers for the workshop were Mr. Shakeel Ahmed and Mr. Abhishek Shankhwar - Microsoft Certified Trainers. Mr. Shakeel Ahmed shared his views about various types of Power BI reports and compared these reports with SQL reports. He shared about the role of Extraction, Transformation, and Loading in data mining. He also discussed various patterns in large data sets and how these patterns help in Predictive Analytics. He also explained Business Intelligence data architecture to handle the ingestion, processing, and analysis of data that is too large and complex for traditional database systems.

I.T.S School of Management, Ghaziabad organized a workshop on "Selling Skills and its Significance" in professional life for the final year students of BBA and BCA courses on Wednesday, April 05, 2023.

The resource person Dr. Timira Shukla, Professor and Director introduced the concept and elucidated the role and scope of professional selling in the contemporary world. She used videos to articulate the importance of non-verbal communication in a selling situation. Prof. Shukla further elaborated on the significance of listening to the customer. Role plays were used as a method to demonstrate the role of probing the customer's mind and mapping. A communication exercise was used to explain the importance of reading and writing. The different skills explained included listening skills, interpersonal skills, problem-solving skills, presentation and persuasion skills, negotiation skills, and customer service skills. The importance of when and why to 'pitch' was described in detail. The do's and don'ts that can kill a sale were highlighted by using real-life examples.

I.T.S School of Management, Ghaziabad organized a workshop on "Blue Ocean Strategy" for the final year students of BBA and BCA courses on Thursday, April 06, 2023.

The resource person of the workshop is Dr. V. N. Bajpai, Professor and Director, Institute of Technology & Science, Ghaziabad. The rapid pace of innovation and change in recent years has led scholars and executives to search for an approach to strategy that is more dynamic than Harvard Professor Michael Porter's classic "Five Forces." One of the most successful efforts to do so is the "Blue Ocean Strategy," developed by W. Chan Kim and Renee Mauborgne. Dr. Bajpai shared the Blue Ocean strategy as the simultaneous pursuit of differentiation and low cost to open up a new market space and create new demand. It is about creating and capturing uncontested market space, thereby making the competition irrelevant. He focused on the concepts of Value innovation and technological innovation and explained the ways of creating new demand and attracting noncustomers.

I.T.S School of Management, Ghaziabad organized a workshop on "Career Opportunities and Competencies in the area of Marketing" for the final year students of the BBA/BCA course on Monday, April 07, 2023.

Dr. Mayank Sharma, I.T.S School of Management was the resource person for the workshop. The main objective of this workshop was to enable students to learn the transitional traditional and to the contemporary modern era and provide insights on new career opportunities in marketing 4.0 and 5.0. The session began with Dr. Mayank discussing the paradigm shifts that have taken place in the field of marketing, concepts of FOMO, FOBO, and ROPO, changing customer tastes, habits, preferences, increased expectations, last-mile service delivery needs, and overall solutions. He briefed students about the emerging job titles, their complete job roles, their median salaries, growth rate, and an outlook for the next 10 years in the industry.

I.T.S School of Management, Ghaziabad organized a workshop on "Understanding Importance of Data Analytics using Excel" for the final year students of BBA and BCA courses on Friday, April 7, 2023.

The expert for the session was Prof. Sunil Upadhyay, I.T.S School of Management. Prof. Sunil Upadhyay started the workshop by introducing the importance of data analytics in the business world. He then proceeded to demonstrate various advanced Excel tools such as Conditional Formatting, Index, Pivot table, VLOOKUP, and HLOOKUP to perform effective data analysis. He emphasized the importance of the lookup and pivot table functions of Excel for day-to-day operational activities. He also explained the various features and functions of Excel that can be used for complex calculations, data analysis, and much more. The workshop was highly interactive, and participants were enthusiastically involved throughout the training.

I.T.S UG Campus has organized a workshop on "Personal Wealth Management" for BBA & BCA III year on April 11, 2023

Dr. Anusha Agarwal, Professor-Finance, I.T.S School of Management-Mohan Nagar, Ghaziabad was the resource person of this workshop. She started the session by giving the brief introduction about importance and relevance of personal wealth management. During the workshop she has discussed the roadmap to financial freedom in detail. She has discussed about financial planning process, steps involved in managing wealth and told the students that through proper financial planning people may create sinking funds which may be used later to solve emergency needs. She cited the example of Cafe Coffee Day and discussed about equity, fixed income, inflation insurance etc. to have better understanding about the personal wealth management. Overall, it was a knowledge enriching workshop for the students.

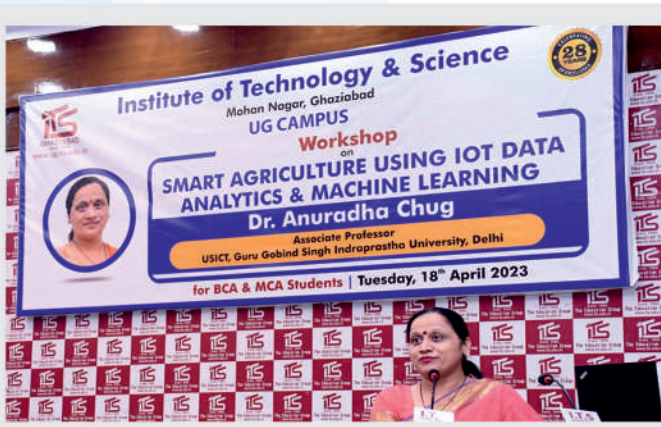

I.T.S School of Management, Ghaziabad organized a workshop on "Towards the Professional Life" for the final year students of BBA and BCA courses on Wednesday, April 12, 2023.

The workshop was aimed at enhancing the professional skills of the participants in the current hybrid working environment. The workshop consisted of various activities that focused on improving interpersonal skills and collaboration among the participants. During the workshop, the resource persons emphasized the importance of emotional and social intelligence, a growth mindset, and building skills related to adaptability and resilience. These skills are essential in building effective business relationships, communication, and overall professional effectiveness. The workshop was conducted by Dr. Shikha Arora and Dr. D K Pandey.

I.T.S UG Campus has organized a one day workshop on "Smart Agriculture using IOT Data Analytics and Machine Learning" for BCA II & III year students on April 18, 2023

The keynote speaker for this workshop was Dr. Anuradha Chug, Associate Professor, USICT, GGSIP University, Delhi. The workshop was started with a brief introduction to "Smart Farming", innovation, sustainability and digital transformation of agriculture. The motive behind this workshop was to give the live exposure to the students on smart agriculture sector. The session aimed to give the live demonstration and practical knowledge by applying machine learning using the IOT Data Analytics in agricultural sector. The use of machine learning and IOT in agriculture mainly reduces problems, predicts crops, predicts yield manages livestock, detects leaf diseases, recognizes crops and detects disease early. The session started from the very basics of machine learning and IOT.

I.T.S School of Management organized a workshop on 'Investment in Capital Market' for the final year students of BBA and BCA courses of I.T.S UG Campus, Mohan Nagar on April 19, 2023.

The main objective of this workshop was to create awareness of stock market investment among the participants of the workshop. Different investment strategies with different classes of shares were discussed with the participants. Dr. Sanghi discussed the importance of investment strategies related to growth stocks, high dividend yield stocks, value buying, cyclical stocks, and high and low beta stocks. This workshop also focused on the usage of online resources and information to create appropriate investment strategies at appropriate times.

Department of Management, I.T.S, Ghaziabad conducted the third edition of Genesis 2023's Business Plan Competition on April 21, 2023.

The inaugural session was held in the benign presence of the invited guests Mr. Arunadaya Bajpai, COO, IIM Lucknow Enterprise Incubation centre, and Mr. Praveen Kapoor, Co-Founder and CEO of BeBoss Technology LLP, Global Startup Ecosystem. In the welcome address, Dr. V. N. Bajpai, Director, I.T.S Mohan Nagar and president, IIC ITS, referred to dreams and aspirations in the setting up of startups, and the role of efforts in converting those dreams to reality.

I.T.S School of Management organized a guest lecture on "Financial Well Being: A Gateway of Happiness" for the PGDM (2022-24) batch on 8th May 2023.

The session was initiated by Dr. Neelam Tandon, Founder and Managing Director of Wellbeing Shiksha Foundation, Ms. Sucharita Dwivedi, Ex-General Manager from Punjab National Bank, Mr. Samir Kumar, Ex-General Manager SIDBI and by Prof. Deepak Tandon, Professor in Finance and Accounting at International Management Institute, New Delhi. Dr Anusha Agrawal, Chairperson PGDM programme I.T.S School of Management welcomed the speakers. Dr. Neelam Tandon started the lecture with a brief introduction to Financial Well Being. She covered different financial situations and money choices that provide individuals with security and freedom of choice.

I.T.S School of Management, Ghaziabad organised a workshop on "Communication Skills for Sales Strategies" for the PGDM (2022-24) batch from 13th April – 10th May 2023

Mr. Gaurav Malik introduced the Effective Communication Framework – Listen, Think, Speak/Write, Non-Verbal, Communication with people in various scenarios and especially around sales strategies – how to apply in corporate work. The workshop helped the students learn how to engage in dialogue, remain curious, and align their communication to specific goals. Students practiced meaningful communication from one-on-one meetings to group discussions, and virtual meetings and presentations. Understanding of Sales Funnel and Sales Mind map really helped students to overcome their sales and target myth. The workshop concluded with students' group presentation assessments scheduled on the 9th and 10th May 2023 respectively.

I.T.S, Mohan Nagar, Ghaziabad conducted 'PARIVARTAN' – The Slum Education Programme on January 13, 2023.

The volunteers for the day were Anuj, Kashish, Jyoti, Anubhav, Saurav, Nishu, Amit, Ziya, Ritika, Nidhi and Isha. Amit started off the proceedings for the day by explaining the importance of light, the occasion being Lohri. In this connection, he pointed out how sunlight is essential for most living things for their activities and physiological functions. He also reminded the kids that photosynthesis in plants also depended on the availability of light. In between he did not forget to mention the role of Thomas Alva Edison in the discovery of electricity. In order to illustrate his point Amit blindfolded a learner and asked him to catch others; later he was asked to do the same after removing the blindfold.

I.T.S, Ghaziabad celebrated Republic Day at 'PARIVARTAN' – The Slum Education Programme on January 27, 2023.

The volunteers were students of PGDM (2022-24 batch). The day's focus was to celebrate "Republic Day" with the underprivileged children of the Sahibabad area. The student volunteers included Rohit, Saloni, Harsa, Sudhansh, & Priya. Student volunteers spoke about the various freedom fighters to make the children familiar with them. They also conducted a few memory games for the children. This was followed by a session on Fundamental Rights. Each of the volunteers explained the necessity and importance of the relevant rights for the citizens of the country. During the celebration, a Cultural Competition was organized in which interested kids participated. Children presented dance and patriotic poems. The best three performers were awarded with prizes. The session ended with the distribution of refreshments.

Utthan, a CSR initiative of I.T.S Ghaziabad, Department of Management, organized a "Computer Lab Activity" to conduct a practical session in the Computer Lab for Government School students on February 28, 2023

The Utthan, a CSR initiative of I.T.S Ghaziabad, Department of Management, organised a "Computer Lab Activity" to conduct a practical session in the Computer Lab for Government School students of classes 1st to 8th in the campus on February 28, 2023. During the session, all the students were taken to the Computer Lab where they were taught to search on Google and make a presentation on the different topics given to them by PGDM student coordinators. Students learned the basics of MS Office and how to make PowerPoint presentations using different designs and tools. After making the presentations, students were asked to present their PPTs and were given feedback by the volunteers.

I.T.S School of Management, Ghaziabad- "PARIVARTAN – An Education program for underprivileged children" activity was organized in the Sahibabad area on March 2, 2023

The volunteers were students of PGDM (2022-24 batch). Day's focus was to teach names of Days and Names of months in English to the underprivileged children of the Sahibabad area. The student volunteers included Shobhit, Akansha, Rupali, Radhika, Harsa & Abhinav. Among student volunteers, Rupali started by teaching the names of days in a week with spelling to the children. After that Radhika taught names of months in a year with spelling. At the last Harsa & Abhinav organized an interesting number game activity for the children, which was enjoyed by the children a lot.

I.T.S UG Campus has celebrated Martyr's Day on March 23, 2023

I.T.S has acquired an outstanding position in the society for its CSR activities and NSS Unit among the youth through organizing various social activities and programmes such as Donation Camp, Meal Distribution, Plantation Drive, Blood Donation Camp, and Nukkad Natak on various social themes such as environment protection, women empowerment and others. Under CSR activities "Disha" - a Social Service Club of I.T.S Ghaziabad organizes many programmes for underprivileged children to educate them in association with NSS Unit. NSS Unit (National Service Scheme) @ I.T.S Mohan Nagar, Ghaziabad UG Campus is one of the most vibrant and active unit of NSS in CCS University, Meerut. NSS team of students, faculty and staff members organized Martyr's Day with great enthusiasm.

“PARIVARTAN – An Education program for underprivileged children” activity was organized in the Sahibabad area, on April 18, 2023.

The volunteers were students of PGDM (2022-24 batch). Day’s focus was to develop creative mind-building through fun activities and to teach names of fruits in English to the underprivileged children of the Sahibabad area. The student volunteers included Akansha, Rupali, Radhika, Sudhansh & Rohit. Student volunteers started the class by distributing used newspapers among the children. Children were asked to make something innovative by using the papers. Children made many beautiful items like a boat, Hand, Aeroplane, decorative paper items, etc. This activity was enjoyed by the children a lot. Winning children were awarded with candies.

Learning and Development @ I.T.S

Prof Saroj Kumari published a Paper Titled “HEALTH MONITORING BASED COGNITIVE IOT USING FAST MACHINE LEARNING” in Scopus listed Editorial Board of Journal of Data Acquisition and Processing, ISSN 1004-9037 in Jan 01, 2023.

Prof. Karan Siwach participated in a Five-days International FDP on “Data Science and Visualization Tools” organized by Jai Shriram Engineering College, Tamil Nadu from Jan 9 to Jan 13, 2023.

On January 10, 2023, the faculty in the management department participated in a Faculty Development Programme on "Social Media Promotion" led by Prof. Shilpi Vaish at the I.T.S. SCHOOL OF MANAGEMENT AND THE INSTITUTE OF TECHNOLOGY AND SCIENCE, GHAZIABAD.

Prof. Pragma Chauhan participated in One Day Awareness Programme on “Cooperation” conducted by NCUI on January 21, 2023.

Pof. Chanchal Prabha MCA department attended One week Online FDP “Rcenet trends in machine learning, IoT and Data Science” organized by Asansol Engineering College during 23-January 28, 2023.

Dr. V.N. Bajpai, Director, I.T.S Ghaziabad was invited to conduct a virtual session on “Achieving Problem-Solution Fit & Product-Market Fit” for the faculty and students of JIMS Engineering Management Technical Campus (JEMTEC), Greater Noida on January 24, 2022.

Prof. Saurabh Saxena of MCA department attended One week Online FDP “Rcenet trends in machine learning, IoT and Data Science” organized by Asansol Engineering College during January 23, 2023 to January 28, 2023.

Prof. Varun Arora of MCA department attended One week Online FDP “Recent trends in machine learning, IoT and Data Science” organized by Asansol Engineering College during January 23, 2023 to January 28, 2023.

Prof Saroj Kumari attended One week FDP on “Optimization Techniques: Theory, Practice and Emerging Applications” organized by E&ICT NIT Warangal, from Jan. 30, 2023 to Feb. 8, 2023.

Dr. Neerja Anand published a book chapter in January 2023 titled ‘Ethical Values in the Indian Culture- A Meta Analyses’ in the edited book on Media & Culture (Integrity Media- The Publisher, N Delhi) with ISBN: 978-93-93636-47-8

Dr. Rajeev Johari and Dr. Indraneel Mandal faculty members of I.T.S School of Management, Ghaziabad & Institute of Technology and Science, Ghaziabad attended UN Global Compact Network India’s Sustainability Program “Circular Economy for the SDGs: From Concept to Practice” on January 31, 2023, at HYATT REGENCY HOTEL, BHIKAJI CAMA PLACE, NEW DELHI.

Dr. Neerja Anand attended an Online Panel Discussion on "Role of HR in Innovation & Employment" organized by OP Jindal University in association with IIC & IRC-EEE on Feb. 03, 2023

Dr. Neerja Anand completed an Online Certificate Course on Leadership: The Emotionally Intelligent Leader from Udemy in February 2023

Prof. Neha Sabharwal, I.T.S Ghaziabad has attended the Faculty Development Program ML/DL for Data Science and Analytics using Python, Self-sponsored by NIT Jalandhar from February 15th-19th, 2023.

Prof. Abhay Ray of MCA department Completed an online certificate form SkillUP by Simplilearn titled “Introduction to Data Analytics” for Beginners” on February 17, 2023.

Dr. Rajeev Johari, faculty of I.T.S School of Management, Ghaziabad chaired an online technical session on General Management and Marketing of XVIII International Conference on "Business Leadership in a VUCA World: Driving Growth Through Effective Integration of People, Technology and the Environment" on Saturday, 18th February, 2023 at JIMS Kalkaji, New Delhi.

Prof. Saurabh Saxena: of MCA department attended One week online FDP on “Emerging trends and applications of machine learning based Artificial Intelligence” organized by SRM Institute of Science and Technology during February 20, 2023 to February 25, 2023.

Prof. Varun Arora of MCA department attended One week online FDP on “Emerging trends and applications of machine learning based Artificial Intelligence” organized by SRM Institute of Science and Technology during February 20, 2023 to February 25, 2023.

Dr. Sunil Kumar Yadav, Associate Professor, Department of Management represented the Institute of Technology and Science, Ghaziabad has attended the 67th Foundation Day & 17th Management Day with the theme "Managing the unprecedented: Harnessing the uncertainty" on Tuesday, February 21, 2023, from 10:00 - 13:00 pm, at Le Meridian Hotel, New Delhi.

Prof. Shikha Aggarwal of I.T.S, Ghaziabad presented a research paper titled "Omnichannel Retailing and Factors Influencing It: A Literature Review" at the 10th National Conference on Organizational Responsibility & Accountability: "An Ethical Challenge" organized by the BVM College of Management Education, Gwalior during February 25 - 26, 2023.

Prof Saroj Kumari attended One week FDP on "Reskilling Faculty as Per NEP-2020" organized by Department of School of Life Science & Technology, Department of Botany, IIMT University, Meerut from Feb 27, 2023 to March 4, 2023.

Dr. Namita Mishra, Faculty of I.T.S School of Management, Ghaziabad participated as a session chair in the 3rd International Conference on "INNOVATIVE PRACTICES IN TECHNOLOGY & MANAGEMENT (ICIPTM-2023) organized by AMITY UNIVERSITY in association with IEEE.

Prof. Sweta Bakshi published a paper in TJMS Journal Titled "A Study of Porter's Diamond Model of National Advantage" ISSN No.0975-7104, Vol 17, No.2, Oct 2022 - March 2023.

Dr. Rohit Kumar Received "Most Accomplished Spoken Tutorial Educator Resource" Award from The Spoken Tutorial Project, IIT Bombay- March 04, 2023.

Dr Annu Tomar, participated in the one-day FDP on "Micro Teaching: A technique of learning teaching skills" organised by CTPD and Saraswati College of Education on March 6, 2023.

Dr. Neeraj Sanghi, Professor of I.T.S School of Management, Ghaziabad chaired a session as an Expert for the Finance Panel of Research Symposium organized by CHRIST (Deemed to be University), Delhi-NCR campus on Thursday, 09th March, 2023.

Dr. Namita Mishra, faculty of I.T.S School of Management, Ghaziabad chaired an online session as a resource person on IPR and its practices in a three-day International Conference on "A Primer on Intellectual Property Rights" on Thursday, 09th March 2023 at Department of Computer Science, Andhra Loyola College, Vijayawada, Andhra Pradesh.

Dr. Neerja Anand delivered a session on "Emotional Intelligence" as resource person in One Day FDP on Enhancing Personal Effectiveness and Teaching Learning Pedagogy for faculty members at ITS Mohan Nagar on March 10, 2023

Dr. Yamini Negi delivered a session on "Kahoot and Hot Potatoes" as resource person in One Day FDP on Enhancing Personal Effectiveness and Teaching Learning Pedagogy for faculty members at ITS Mohan Nagar on March 10, 2023.

Prof. Abhay Ray of MCA department Participated in a One day FDP on "Enhancing Personal Effectiveness and Teaching –Learning Pedagogy " organized by I.T.S Mohan Nagar , Ghaziabad on March 10, 2023.

Prof. Chanchal Prabha of MCA department Participated in a One day FDP on "Enhancing Personal Effectiveness and Teaching –Learning Pedagogy " organized by I.T.S Mohan Nagar , Ghaziabad on March 10, 2023.

Prof. Kumar Vaibhav Bhatnagar of MCA department Participated in a One day FDP on "Enhancing Personal Effectiveness and Teaching –Learning Pedagogy " organized by I.T.S Mohan Nagar , Ghaziabad on March 10, 2023.

Prof. Amit Singh participated in a One-day FDP on "Enhancing Personal Effectiveness and Teaching Learning Pedagogy" organized by Institute of Technology & Science, Mohan Nagar, Ghaziabad on March 10, 2023.

Dr. Charu Malhotra attended a FDP on "Enhancing Personal Effectiveness and Teaching – Learning Pedagogy" at Institute of Technology And Science on March 10, 2023.

Prof. Karan Siwach participated in a One-day FDP on "Enhancing Personal Effectiveness and Teaching Learning Pedagogy" organized by Institute of Technology & Science, Mohan Nagar, Ghaziabad on March 10, 2023

Prof Saroj Kumari participated in a One-day FDP on "Enhancing Personal Effectiveness and Teaching Learning Pedagogy" organized by Institute of Technology & Science, Mohan Nagar, Ghaziabad on March 10, 2023.

Prof Manish Gupta participated in a One-day FDP on "Enhancing Personal Effectiveness and Teaching Learning Pedagogy" organized by Institute of Technology & Science, Mohan Nagar, Ghaziabad on March 10, 2023.

Prof. Ankur Sharma participated in a One-day FDP on "Enhancing Personal Effectiveness and Teaching Learning Pedagogy" organized by Institute of Technology & Science, Mohan Nagar, Ghaziabad on March 10, 2023.

Prof. Pragya Chauhan participated in a One-day FDP on "Enhancing Personal Effectiveness and Teaching Learning Pedagogy" organized by Institute of Technology & Science, Mohan Nagar, Ghaziabad on March 10, 2023

Dr. Annu Tomar participated in a One-day FDP on "Enhancing Personal Effectiveness and Teaching Learning Pedagogy" organized by Institute of Technology & Science, Mohan Nagar, Ghaziabad on March 10, 2023.

Prof. Sanjay Kumar Sharma participated in a One-day FDP on "Enhancing Personal Effectiveness and Teaching Learning Pedagogy" organized by Institute of Technology & Science, Mohan Nagar, Ghaziabad on March 10, 2023

Prof. Anurag Mittal participated in a One-day FDP on "Enhancing Personal Effectiveness and Teaching Learning Pedagogy" organized by Institute of Technology & Science, Mohan Nagar, Ghaziabad on March 10, 2023

Prof. Sweta Bakshi participated in a One-day FDP on "Enhancing Personal Effectiveness and Teaching Learning Pedagogy" organized by Institute of Technology & Science, Mohan Nagar, Ghaziabad on March 10, 2023

- Prof. Ankur Sharma published a PATENT with Title "IOT Driven Design System using Machine Learning for detecting driver drowsiness" ISSUE 17, March-2023 PATENT (Application no. 202341012237).
- Prof. Saurabh Saxena: of MCA department attended One week online FDP on "Machine Learning: Concepts and Applications" organized by Department of Computer Science and IT, Kathua Campus, University of Jammu during March 14, 2023 to March 20, 2023.
- Prof. Varun Arora of MCA department attended One week online FDP on "Machine Learning: Concepts and Applications" organized by Department of Computer Science and IT, Kathua Campus, University of Jammu during March 14, 2023 to March 20, 2023.
- Prof. Chanchal Prabha of MCA department attended One week online FDP on "Machine Learning: Concepts and Applications" organized by Department of Computer Science and IT, Kathua Campus, University of Jammu during March 14, 2023 to March 20, 2023.
- Prof. Smita Kansal of MCA department attended One week online FDP on "Machine Learning: Concepts and Applications" organized by Department of Computer Science and IT, Kathua Campus, University of Jammu during March 14, 2023 to March 20, 2023.
- Prof. Jyoti Mahajan, Faculty of Department of Management at I.T.S Ghaziabad, presented a Paper titled 'Ethics in Research Publications' in the Multidisciplinary National Seminar on RESEARCH AND PUBLICATION ETHICS held from March 16-17, 2023.
- Prof. Chanchal Prabha of MCA department Participated in Stay Safe Online campaign and successfully completed online quiz. This event was organized by ministry of electronics and Information Technology, Government of India and implemented by C-DaC Hyderabad from March 20, 2023 to March 30, 2023.
- Prof. Kumar Vaibhav Bhatnagar of MCA department Participated in Stay Safe Online campaign and successfully completed online quiz. This event was organized by ministry of electronics and Information Technology, Government of India and implemented by C-DaC Hyderabad from March 20, 2023 to April 30, 2023.
- Dr Annu Tomar, participated in the stay safe online campaign (Quiz Competition) organised by Ministry of electronics and information technology, government of India, Hyderabad on March 20 - April 30, 2023.
- Dr. Sunil Yadav, Department of Management represented the Institute of Technology and Science, Ghaziabad in the Federation of Indian Chamber of Commerce and Industry (FICCI) had organised a conference on the theme "Harnessing Youth Power for an Inclusive, Progressive & Sustainable Future" on Tuesday, March 21, 2023, from 10:00 - 06:00 pm, at The Lalit Hotel, New Delhi.
- Prof. Varun Arora of MCA department completed Online Certification on "Introduction to Machine Learning" by Infosys Springboard on March 22, 2023.
- Prof. Saurabh Saxena invited as resource person to conduct spection session on Bug Assignment Techniques and challenges at National PG College, Lucknow on March 27, 2023.
- Dr, Vinay Kumar Srivastava had an opportunity to participate in the conference organized by ASSOCHAM (Associated Chamber of Commerce) on March 28, 2023, at Hotel Shangreela, New Delhi. The theme of the Conference was "Bharat@100: Paving the way for Inclusive and Sustainable Global Growth
- Dr. Rohit Kumar published a Research Paper with Title "Recognition Of Brain Tumor Using Anfis Classifier With Bioinspired Algorithm For Segmentation" has been Published at the IJAEMA The International journal of analytical and experimental modal analysis e-ISSN 0886-9367 www.ijaema.com Volume XV, Issue III, March/2023, 1138-1156 pages is a UGC CARE Approved (Group-II) Journal, DOI:18.0002.IJAEMA.2023.V15I03.200001.01568597177927
- Prof. Varun Arora of MCA department Participated in Virtual Lab Nodal Centre Coordinators meet at IIT Kanpur on April 1, 2023
- Dr Annu Tomar, participated in the one day FDP on "Understanding the issues of research in publication in UGC care journals" organised by SDRF and CTPD on April 02, 2023.
- Prof Saroj Kumari attended Five Days FDP on "Emerging Innovative Tools and Techniques in Writing and Publishing Research Paper" organized by Department of Management Studies, Raj Kumar Goel Institute of Technology, Ghaziabad from April 3, 2023 to April 7, 2023.
- Prof Saroj Kumari attended One Week Online FDP on "Natural Language Processing and Semantic Modeling " organized by Department of Computer Science and Engineering, ANITS in Collaboration with ShodhGuru Innovation and Research Labs, India from April 03, 2023 to April 08, 2023.
- Dr Annu Tomar, participated in the one day Digital Training Program on "Digital content creation for teachers" organised by GD Goenka University on 9th April, 2023.
- Prof. Sanjay Kumar Sharma conducted a one day workshop on Smart Agriculture using IOT Data Analytics and Machine Learning on April 10, 2023
- Prof. Karan Siwach was appreciated as an IT Faculty mentor for support and guidance to the students in view of providing quality outcomes of the Event "INCHOATE 2.0" under Campus to Corporate initiative conducted at ITS Mohan Nagar, Ghaziabad on April 12, 2023.
- Dr. Neerja Anand was appreciated as a Faculty mentor for support and guidance to the students in view of providing quality outcomes of the Event "INCHOATE 2.0" under Campus to Corporate initiative conducted at ITS Mohan Nagar, Ghaziabad on April 12, 2023.
- Prof Saroj Kumari was appreciated as an IT Faculty mentor for support and guidance to the students in view of providing quality outcomes of the Event "INCHOATE 2.0" under Campus to Corporate initiative conducted at ITS Mohan Nagar, Ghaziabad on April 12, 2023
- Prof. Pragya Chauhan was appreciated as the Best Mentor for support and guidance to the students in view of providing quality outcomes of the Event "INCHOATE 2.0" under Campus to Corporate initiative conducted at ITS Mohan Nagar, Ghaziabad on April 12, 2023.
- Prof. Karan Siwach successfully qualified the UGC-NET (National Eligibility Test) for Assistant Professor in Computer Science & Applications on April 13, 2023.
- Dr Annu Tomar, participated in the one day FDP on "Implementation on NEP 2020 in Higher Education" organised by CTPD and GD Goenka University on April 16, 2023.
- Prof. KP Singh of MCA department attended one-day workshop on Smart Agriculture using IoT Data Analytics and Machine Learning organized by ITS UG Campus on April 18, 2023.

Prof. Chanchal Prabha of MCA department attended one-day workshop on Smart Agriculture using IoT Data Analytics and Machine Learning organized by ITS UG Campus on April 18, 2023.

Prof. Kumar Vaibhav Bhatnagar of MCA department attended one-day workshop on Smart Agriculture using IoT Data Analytics and Machine Learning organized by ITS UG Campus on April 18, 2023.

Prof. Karan Siwach participated in a One-day workshop on “Smart Agriculture Using IOT Data Analytics & Machine Learning” organized by Institute of Technology & Science, Mohan Nagar, Ghaziabad on April 18, 2023.

Dr. Rohit Kumar attended a One-day workshop for “Smart Agriculture Using IOT Data Analytics & Machine Learning” conducted by ITS College, Mohan Nagar, Ghaziabad on April 18, 2023.

Prof. Amit Singh participated in a One-day workshop on “Smart Agriculture Using IOT Data Analytics & Machine Learning” organized by Institute of Technology & Science, Mohan Nagar, Ghaziabad on April 18, 2023.

Prof. Saroj Kumari participated in a One-day workshop on “Smart Agriculture Using IOT Data Analytics & Machine Learning” organized by Institute of Technology & Science, Mohan Nagar, Ghaziabad on April 18, 2023.

Prof. Manish Gupta participated in a One-day workshop on “Smart Agriculture Using IOT Data Analytics & Machine Learning” organized by Institute of Technology & Science, Mohan Nagar, Ghaziabad on April 18, 2023.

Prof. Ankur Sharma participated in a One-day workshop on “Smart Agriculture Using IOT Data Analytics & Machine Learning” organized by Institute of Technology & Science, Mohan Nagar, Ghaziabad on April 18, 2023.

Prof. Amit Singh participated as a reviewer in the “International Conference on Computational Intelligence, Communication Technologies and Networking” organized by the department of CSE ABES Engineering College in collaboration with IEEE from April 20 to April 21, 2023.

Prof. Varun Arora of MCA department Participated in Online Quiz on Secure Social Media Practices organized by Ministry of Electronics & Information Technology, Government of India on April 23, 2023.

Prof. Saurabh Saxena invited as resource person to conduct workshop in IoT at INMANTEC College, Ghaziabad on April 28, 2023.

Prof. KP Singh of MCA department attended Tech4Ed Expo & Conference 2023 organized by ICT Academy and KC GlobEd on April 28, 2023 to April 30, 2023.

Prof. Saurabh Saxena of MCA department Participated in Tech 4Ed Expo & Conference 2023 organized by ICT Academy and KC GlobalED during April 28, 2023 to April 30, 2023.

Prof. Abhay Ray of MCA department Participated in Tech 4Ed Expo & Conference 2023 organized by ICT Academy and KC GlobalED during April 28, 2023 to April 30, 2023.

Prof. Varun Arora of MCA department Participated in Tech 4Ed Expo & Conference 2023 organized by ICT Academy and KC GlobalED during April 28, 2023 to April 30, 2023.

Prof. Smita Kansal of MCA department Participated in Tech 4Ed Expo & Conference 2023 organized by ICT Academy and KC GlobalED during April 28, 2023 to April 30, 2023.

Prof. Chanchal Prabha of MCA department attended Tech4Ed Expo & Conference 2023 organized by ICT Academy and KC GlobEd on April 28, 2023 to April 30, 2023.

Prof. Kumar Vaibhav Bhatnagar of MCA department attended Tech4Ed Expo & Conference 2023 organized by ICT Academy and KC GlobEd on April 28, 2023 to April 30, 2023.

Prof. Abhay Ray of MCA department Invited to conduct a workshop by INMENTEC – Institutions, Ghaziabad on “Internet of Things and Sensor Programming” for the BCA and MCA students dated on April 28, 2023.

Prof. Abhay Ray of MCA department presented a research paper Titled “Security and Privacy Management : Issues and best practices in Smart Homes in era of 6G” in International conference on Innovations Agility and Sustainability in Global Business Environment at Institute of Technology & Science , Mohan Nagar , Ghaziabad dated on April 28, 2023 to April 29, 2023.

Prof. Sweta Bakshi presented a paper titled “Business transformation through Research Innovations” in International Conference on “Innovations, Agility and Sustainability in Global Business Environment” organized by I.T.S Mohan Nagar, Ghaziabad and I.T.S School of Management, Mohan Nagar, Ghaziabad on April 28-29, 2023.

Prof. Sweta Bakshi published a paper Titled “Business Growth through Digital Transformation” in International Conference on “Innovations, Agility and Sustainability in Global Business Environment” organized by I.T.S Mohan Nagar, Ghaziabad and I.T.S School of Management, Mohan Nagar, Ghaziabad on April 28-29, 2023.

Prof. Pragya Chauhan participated in the “Tech4Ed Expo & Conference 2023” organized by ICT Academy and KC GlobEd from April 28 to April 30, 2023.

Prof. Timira Shukla, Director, I.T.S School of Management, Ghaziabad was invited as an esteemed speaker for the round table in IIEE-ASMA Education Innovation Summit 2023 held on April 29, 2023 in Greater Noida.

Dr. Anusha Agarwal, I.T.S School of Management, Mohan Nagar, Ghaziabad has been invited by Jaipuria Institute of Management, Indirapuram, Ghaziabad to chair a technical session at the International Conference on “Financial Innovation for Sustainable Development” on April 29, 2023.

I.T.S School of Management, Ghaziabad organized a visit of 4 students and two faculty members from PGDM Batch (2022-24) at Hotel Le Meridian, New Delhi for the ASSOCHAM India Tourism Conference 2023 on the theme “\$1 Trillion Tourism Economy – Technology as an enabler”. Technology, Government of India on April 30, 2023.

Prof. Abhay Ray of MCA department Attended AICTE Approved FDP on Adobe Tools conducted by GTT on Date April 30, 2023.

Prof Saroj Kumari attended One Day FDP on “Digital Creativity Skills as a part of Adobe Academic Essential Program” organized by Institute of Technology and Science, Ghaziabad on April 30, 2023.

Dr. Neerja Anand attended a Professional Development Workshop on Digital Creativity Skills as a part of Adobe Academic Essentials Program on April 30, 2023

Dr. Yamini Negi attended a Professional Development Workshop on Digital Creativity Skills as a part of Adobe Academic Essentials Program on April 30, 2023

Prof. Karan Siwach participated in a Professional Development workshop on “Digital Creativity Skills” as a part of Adobe Academic Essential conducted by Adobe and AICTE on April 30, 2023.

Prof. Amit Singh participated in a Professional Development workshop on “Digital Creativity Skills” as a part of Adobe Academic Essential conducted by Adobe and AICTE on April 30, 2023.

Prof. Ankur Sharma participated in a Professional Development workshop on “Digital Creativity Skills” as a part of Adobe Academic Essential conducted by Adobe and AICTE on April 30, 2023.

Prof. Sanjay Kumar Sharma participated in a Professional Development workshop on “Digital Creativity Skills” as a part of Adobe Academic Essential conducted by Adobe and AICTE on April 30, 2023.

Dr. Rohit Kumar published a Research Paper with Title “Smart Stress Management: Forecasting and Easing Employee Stress Through Artificial Intelligence” has been published at the Journal of Xidian University, ISSN No: 1001-2400, VOLUME 17, ISSUE 5, 2023 (<https://xadzkjdx.cn/index.php/volume-17-issue-5-may-23/>), 472-482 pages is an UGC-CARE Approved Group 2 Journal & Scopus.

Prof Saroj Kumari published a Paper Titled “Role of Artificial Intelligence and confront challenge in the field of Education” in UGC listed International Journal of Analytical and Experimental Model analysis, ISSN 0886-9367 in special issue in May, 2023

Dr. Yamini Negi has got the lifetime membership of Education Research and Development Association (ERDA)

Prof. Varun Arora of MCA department Participated in the paper presentation of a paper “Role of Nature Inspired Algorithms in Business Analytics” at National Level Student Conference IEEE TECHNICOKNOCKDOWN organized by Singhad Institute of Technology, Lonavala on May 4, 2023.

Prof. Anurag Mittal participated as a reviewer in the International Conference on Disruptive Technologies (ICTD-2023) on May 11 and 12, 2023 organized by G.L. Bajaj Institute of Technology and Management, Greater Noida.

Prof. Saurabh Saxena of MCA department Participated in the paper presentation of a paper “ Identification of Duplicate Bugs in Bug Triaging System” at National Level Student Conference IEEE TECHNICOKNOCKDOWN organized by Singhad Institute of Technology , Lonavala on May 4, 2023.

Prof. Anjali Dubey Reviewer in International Conference on Disruptive Technologies (ICDT-2023) dated May 11 and 12, 2023 organized by Department of Computer Science & Engineering, GL Bajaj Institute of Technology & Management, Greater Noida, (U.P.), India.

Prof Saroj Kumari attended Five Days FDP on “Innovative Pedagogy: Statistical Analysis with Excel” organized by TMMIT, Teerthanker Mahaveer University, Moradabad from May 15, 2023 to May 19, 2023.

Dr. Anusha Agarwal, Professor, I.T.S School of Management was invited as an Eminent Round Table Panelist for Roundtable Discussion on one of India’s G20 priority areas, titled ‘Sustainable Investments & ESG: An Exploration of India’s Role’ on 20th May 2023, conducted by National Law University, Delhi.

Institute of Technology & Science, Ghaziabad (MBA 2022-24) went on an exposure visit to the Incubation Centre at the IIM Lucknow Enterprise Incubation Centre, Noida Campus on May 16, 2023. Dr. Sanjeev Tandon and Dr. Indraneel Mandal accompanied the students on the trip. The group was welcomed by Dr Pooja Pandey, HR faculty and Head of the Enterprise HER initiative at IIML. She started the session with the introductory video explaining how IIML-EIC works, including how it helps entrepreneurs develop their business ideas. It was a very useful session that thoroughly enthused the students. It is hoped that the interaction will lead to positive benefits including the development of individual ideas by the youngsters.

MBA Batch (2022-2024) attended "Masterclass on Generative AI and Blockchain Technology for Startups" organized by Enterprise Incubation Centre, IIM- Lucknow (Noida Campus) sector 62, Noida on June 08, 2023. The event aimed to provide valuable insights and practical knowledge about the intersection of generative AI and blockchain technology. Attendees had the opportunity to learn from industry experts, gain a deeper understanding of these new technologies, and explore their potential applications in various industries. The distinguished resource person for the day was Mr. Anil Arora, Data Analytics & AI Specialist in Microsoft, and Mr. Ajay Singh, Co-founder, DLT Labs, Chief Mentor Officer of HBX.

The volunteers for the day were Anuj, Kashish, Jyoti, Anubhav, Saurav, Nishu, Amit, Ziya, Ritika, Nidhi and Isha. Amit started off the proceedings for the day by explaining the importance of light, the occasion being Lohri. In this connection, he pointed out how sunlight is essential for most living things for their activities and physiological functions. He also reminded the kids that photosynthesis in plants also depended on the availability of light. In between he did not forget to mention the role of Thomas Alva Edison in the discovery of electricity. In order to illustrate his point Amit blindfolded a learner and asked him to catch others; later he was asked to do the same after removing the blindfold.

Institute of Technology and Science, Ghaziabad organised an alumni talk for the students of the MBA (2022-24) batch on January 24, 2023.

Mr. Arun Kumar Pathak, Sales Head, MY FM and alumnus of MBA 2005-07 Batch interacted with the students on the topic "Opportunities in Media Industry". Dr. Nitin Saxena extended a warm welcome to Mr. Arun by offering a plant sapling to him and briefed him about the importance of such sessions to the students. Mr. Arun presented in-depth coverage of the media industry and shared various opportunities available for fresh management graduates in this industry. He discussed the roles and responsibilities of various key positions he personally handled in this industry in the last almost fifteen years of his corporate experience including print, digital, and radio media.

The program started with the welcome address by Director-IT, Prof. Sunil Kumar Pandey. During his address, Dr. Pandey introduced Mr. Jiten Bhardwaj to MCA Students and also shared his memory about Mr. Jiten. Mr. Jiten Bhardwaj started his speech with special thanks and expressed his gratitude to Prof. Sunil Kumar Pandey, Director-IT for supporting and guiding him continuously throughout his tenure at the institute. He also shared his various wonderful experiences at the college with the students and advised them to attend classes regularly and sincerely.

Department of MCA, I.T.S Ghaziabad, organized a special session on "Demystifying Cloud Computing" in Alumni Talk Series for MCA Students on February 4, 2023.

Department of MCA, I.T.S, Mohan Nagar organized special session on "Demystifying Cloud Computing" in Alumni Talk Series for MCA Students on 4th February, 2023. Mr. Ankur Jain, Principal Cloud Architect, Oracle & Alumni of MCA Batch (2008-11) was the speaker of this session. In the Session, Mr. Jain elaborated about traditional deployment & various issues with traditional development and compare it with the concept of cloud computing. He explained various characteristics, Models & deployment model of cloud computing. Mr. Jain shared various live examples, suggested online courses, important study materials to make their career in cloud. He interacted with the students and cleared all the queries raised by the students. The session was appreciated by the all the MCA first year students.

I.T.S School of Management, Ghaziabad organized an Alumni Talk for students of PGDM (2022-24 batch) on the topic "Sustainable Future" on March 16, 2023.

The talk was delivered by Alumna PGDM (2007-2009 batch) Ms. Supreeti Singh, Manager – Motherson Sumi Systems Limited, Noida. Ms. Supreeti started the session by sharing her experience at I.T.S School of Management. Further, she shared her journey from campus to corporate. She spoke about a career in Human Resource as an HR Manager. During her address, she emphasized the changing mindset about the perception of salary packages. She said that besides being focused on higher salary packages, budding managers should try to be focused on being ethical and professional. She said that the role of an HR manager should be holistic in nature to provide a brighter future for the organization as well as for society.

Institute of Technology & Science organized an alumni talk cum Guest Talk for participants of MBA (2021-23) Batch on the topic "Credit Analysis and Impact on Market Capitalization" on 1st April 2023.

The talk was organized as a part of industry interaction on the subject of "Financial Credit and Risk Analytics". The talk was delivered by the esteemed guest, Mr. Prayag Tripathi, (Alumnus of MBA 2013-15 Batch) and financial Analyst (Reconciliation Level 2), Clear Water. Dr. Nitin Saxena welcomed the guest with his words of wisdom. Mr. Prayag addressed the audience by sharing his overwhelming experience in the institution. He started his talk about common jargon used in financial analyst jobs like Swaps, Futures, Forwards, options, etc. He talked about how one should be trained in MS Excel to have a job as a financial analyst. He elaborated that one should have a good command of language, have good aptitude skills and that one's resume should be concise and clear.

I.T.S UG Campus organized Alumni Talk on 'Campus to Corporate Corridor' for BCA I year students on April 10, 2023

Ms. Mansi Khanna, BCA Batch(2008-11), Team Lead – Tech Assurance Ameriprise Financial was the resource person for alumni session. I.T.S is focused to give a global experience to its students. We request our alumni regularly to visit their Alma-mater so that they can share their experiences and explorations as journey from “Campus to Corporate Corridors” and once again they can revive their nostalgic moments along with sharing their pathways with juniors.

I.T.S School of Management, Ghaziabad organized an Alumni Talk for students of PGDM (2022-24 batch) on the topic “Winning Mindset” on April 18, 2023.

The talk was delivered by an Alumna of PGDM (2013-2015 batch) Ms. Kalpana Singh, Manager (Operations) at Axis Bank. Dr. Timira Shukla, Director- I.T.S School of Management welcomed the guest by presenting a plant sapling. Ms. Kalpana started the session by sharing her experience during her course of study in PGDM. Further, she shared her journey from campus to corporate. She spoke about her career in Operations as an Operations Manager. During her address, she emphasized the changing of mindset about the perception of salary packages. She said that besides being focused about higher salary packages, budding managers should try to be focused about being ethically professional. She highlighted the challenges for operations managers in the banking sector.

Institute of Technology and Science, Ghaziabad has organized an alumni talk on “Towards a Professional Career Ahead: Opportunities and Challenges” for the students of the MBA (2022-24) batch on May 10, 2023.

The speaker for the session was Ms. Sneha Singh, Deputy Manager, Pearson and Alumna of the MBA (2011-13) batch. She has a rich experience in the publishing Industry. She started her career with Thomson Digital Press as a junior project Manager. She has handled a wide variety of projects from India and the United States. She is an expert in digital content writing and editing.

Department of MCA, I.T.S Ghaziabad, organized an Alumni Conference on “Industry Expectations: Bridging the Gap in Expectation & Competence” on June 17, 2023.

MCA Alumni Conference on “Industry Expectations: Bridging the Gap in Expectation & Competence” was organized by MCA Department on Saturday, June 17, 2023. The conference aimed to address the growing concern regarding the gap between industry expectations and the competence of professionals. At the beginning of the conference, Prof. Saurabh Saxena, MCA Alumni Coordinator briefs about the conference and its objective. Dr. Sunil Kumar Pandey, Director-IT delivered a welcome address. While addressing the gathering Dr. Pandey emphasized the significance of bridging the expectation-competence gap.

Dr. Sunil Kumar Pandey, Director - UG campus received Digital Leader Awards-23 conferred by DATAQUEST from Shri V Srinivasa Rao (VSR), Chairman & MD, BT & BT on June 9th, 2023 at Hotel Hayatt Regency, New Delhi.
