Alok Chaurasia, MCA Batch: 2002
Manager, Cognizant, Belgium

It was memorable 3 years of my professional learning wherein we were inculcated with the corporate principles. I would love to prop up my proximity with the Campus forever... I recently visited ITS campus and it was fascinating to see all the positive changes...

Shailendra Malik, MCA Batch: 2003
Team Lead, Fiserv

If I try to figure out what was the best thing that happened to me in my academics, undoubtedly it was the decision to join ITS in 2000. Support from teaching staff, placement cell, administration dept was always unconditional. If I remember it right, ours was the first batch to study UPTU syllabus and that was the time when teaching staff did a phenomenal job in putting everything together ensuring our smooth run throughout the course. I am so very glad that I am a part of ITS family.

Venkateshwar Ratnam Dwivedi, MCA Batch : 2009
System Engineer, IBM, Gurgaon

My golden three years, which I spent in I.T.S, is one of the most memorable fragments of my life. This was crucial for my career and the credit is due for I.T.S for my transformation into a successful techie. The learning from there still goes with me years after. The good memories make me nostalgic even today.

Saurabh Chauhan, MCA Batch: 2001
Sr. Patent Analyst, CPA Global

"It was a charismatic era of a very short vis-à-vis momentous span of my professional learning wherein we were inculcated with the exact corporate principles. Will love to prop up my proximity with the campus forever."

Sandarbh Mona, MCA Batch: 2001
DGM Marketing, Accent Consulting

I.T.S is an iconic landmark of Ghaziabad. When I joined I.T.S (1999) it was growing and has reached its zenith in just few years by imparting quality education. The teachers were really very helping and supporting. I wish ITS great success and achieve many more milestones.

Ishan Gupta, MCA Batch: 2012
AppStudioz, Software Engg.

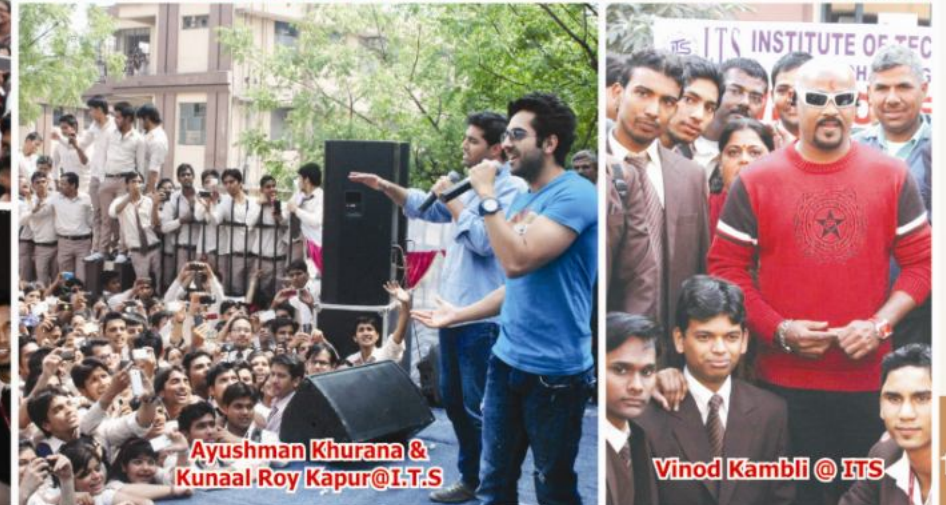

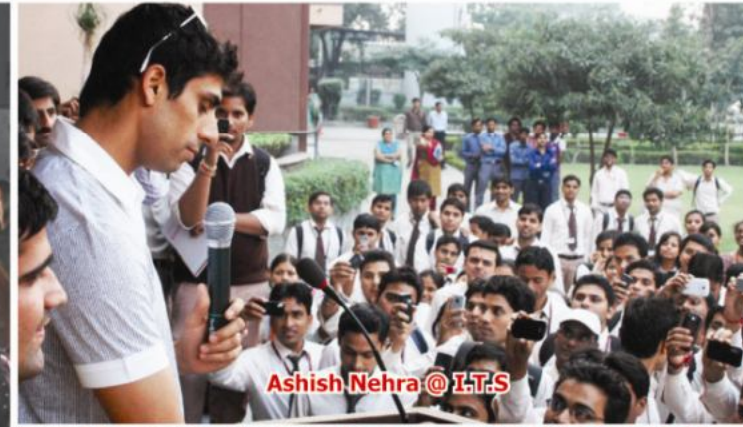

"I.T.S made me confident in my abilities and helped me to excel professionally to pave a successful career path. The liberal environment to express oneself at the I.T.S always made me feel at ease. Special thanks to faculties for their extreme support in enhancing my technical competencies and soft skills."

SHINING STARS

Alumni are the treasured assets of our institution. It is the success and professional growth of alumni that defines the performance graph of an institute and reflects on the ideals and principles of their existence. I.T.S maintains a web portal for its alumni. The portal serves as a medium of exchange for their experiences and a strong association is maintained with the faculty members with information up-dates and chats. Regular meets are organized to strengthen ties with the institute and their contribution for placement of students is noteworthy.
