Institute Innovation Council

Ministry of Human Resource Development (MHRD), Govt. of India has established 'MHRD's Innovation Cell (MIC)' to systematically foster the culture of Innovation amongst all Higher Education Institutions (HEIs). The primary mandate of MIC is to encourage, inspire and nurture young students by supporting them to work with new ideas and transform them into prototypes while they are informative years. Major focus of IIC is:

- To create a vibrant local innovation ecosystem.
- Start-up supporting Mechanism in HEIs.
- Prepare institute for Atal Ranking of Institutions on Innovation Achievements Framework.
- Establish Function Ecosystem for Scouting Ideas and Pre-incubation of Ideas.
- Develop better Cognitive Ability for Technology Students.

The Institute has a robust and fully dedicated team for the purpose. Details are available at below link.

Institution-Industry Cell

The need of the hour is to identify the industrial expectations and make the students industry ready. The aim is to make an effective contribution to the educational system to fill the gap between academic curricula and industry need.

The Institute put wholesome efforts to share experience and expertise between Institution and Industry. In the event, Institute organizes Industrial visits, Webinars, Guest Lectures and Internship programmes to train the students with the latest developments in Industrial practices. To promote continuous interaction between Institution and Industries, Memorandum of Understandings (MoUs) are signed between the Institute and different Industries.

The Institution has constituted a Institution-Industry Cell with the following

S. No	Name of the Member	Designation	Contact No
1	Prof Durba Roy	Chairperson	9899177915
